Pyorrhea and the Remedy

Pyorrhea, like anything else, cannot be overcome without the removal of the cause. Mouth washes, tooth brushes, etc., are all of no avail unless the cause be removed. Those troubled by this disease should see their dentist and have all deposits removed; ill-fitting fillings corrected and the mouth put into a sweet and wholesome condition by scientific methods. This will (if the disease has not progressed too far) eliminate all vestige of pyorrhea.

Nearly Crazy With Eczema

No rest day or night for those who are afflicted with that terrible skin disease, eczema, or as it is often called, salt rheum. With its unbearable burning, itching and torturing relief is gladly welcomed. There is no remedy like Burdock Blood Bitters for giving relief to such sufferers; no remedy that has done, or can do more for those who are almost driven to distraction with the terrible torture. Apply it externally and it takes out the stinging, itching and burning, and promotes a healthy healing. Take it internally and it gets at the source of the disease in the blood, — for eczema is a blood disease — and drives it out of the system. Miss L. M. Bouthier, 89 Victoria Road, Halifax, N.S., writes: — "I have suffered for years from eczema. I could not rest day or night. I suffered great agony, and was nearly crazy with the itching and burning. I used all kinds of salves, but nothing seemed to help me. I saw Burdock Blood Bitters advertised, and was advised to try a bottle. I found great relief, and I really cannot recommend it highly enough for what it has done for me." Burdock Blood Bitters has been on the market for over forty years, and during that time has been manufactured only by The T. M. B. Co., Limited, Toronto, Ont.

WATER NOTICE.

STORAGE.
TAKE NOTICE that Granby Consolidated Mining, Smelting & Power Co. Ltd., whose address is Anyox, B. C., will apply for a licence for the storage of five million gallons of water out of the east branch of Hidden Creek which flows southerly and drains into Hidden Creek, about two-thirds of a mile from Granby Bay.
The storage dam will be located 300 feet from the east boundary of lot 2224. The capacity of the reservoir to be created is about five million gallons, and it will flood several acres of land. The water will be diverted from the stream at the dam and will be used for mining and domestic purposes upon the mine described as lots 480, 481, 482, 483, 484 and 485, 1513, 1675 and 1677, 2219, 2221, 2222, 2223, 2224, 2225, 2226, 2227, 2229, 2230 and 2231. The licence applied for is to supplement an application to take and use water as per water notice posted on 1st June, 1920 (see water branch file 023030). This notice was posted on the ground on the 23rd day of February, 1921. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Prince Rupert.
Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.
