LADY RHONDDA AND SIX-POINT

Movement Initiated by Lady Who Visited Rupert Last Year

The gathering of representative women called together in London by Lady Rhondda to decide whether a new movement should be initiated to press for six over-due reforms has begun well. It has named itself briefly "The Six-Point Group"—a grateful change from the long explanatory names women's organizations usually assume.

The movement has grown out of the demand expressed by many women in "Time and Tide" for immediate practical action to push the six reforms which women generally regard as most urgent, for their sex. Private members have already introduced unsuccessfully into Parliament bills dealing with the equal guardianship of infants and with the children of unmarried parents. Now the Six-Point Group means to concentrate on getting Government bills dealing with these matters and also with assaults on children, provision for widows with dependent children, equality of conditions for men and women in the civil service, and equality of pay for men and women teachers under the board of education.

Focus Opinion

They are not so much concerned with propaganda as to make effective, politically, the strong body of public opinion already existing. Individual members of the Conference supported the decision and representatives of various organizations are going to consult their executives about taking action. Meantime the Six-Point Group has elected a provisional committee. Most of

HEART SO BAD

Was not safe to Leave her alone

Miss Eva P. Vatemann, Krugersdorf, Ont., writes:—I feel that I must write and tell you of the great benefit I have received from Milburn's Heart and Nerve Pills. About four years ago I was taken terribly bad with my heart, nerves and fainting spells, and was down in bed for about six months. I doctored with two different doctors and seemed to get better, although the fainting spells would not leave me. I would take such terrible falls, wherever I was, that it was not safe to leave me alone at any time. At last I decided to resort to proprietary medicines and took several different kinds, but seemed to receive but little benefit from them. One day noticing the advertisement of Milburn's Heart and Nerve Pills I decided to try them, and before I had taken more than two boxes I could see they were helping me. I have taken about ten boxes, and an almost perfect cure of those terrible spells. I sincerely feel that your medicine has proved a blessing to me, and I advise any one troubled with their heart to try them, as I am confident they will find relief.

Milburn's Heart and Nerve Pills are 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

whose members are young women. It includes Lady Rhondda, Mrs. Chalmers Watson, Miss Clemence Dane and Miss Edith Thompson.

No Excuse for Renewal Says Sir John Findlay in London

LONDON, March 16.—New Zealand and Australia, says Sir John Findlay are strongly opposed to the renewal of the Anglo-Japanese treaty and he wants the home government to bear that fact in mind when the question of the renewal of the treaty comes up for settlement.

Sir John is one of the leading statesmen of New Zealand. With Sir Joseph Ward he represented New Zealand at the last Imperial Conference in 1911. He is now again in London.
