TIE INDUSTRY AND EMBARGO

Canadian National will not Accept Western Hemlock — Is Superior Timber.

An embargo that the Canadian National Railways has placed on hemlock ties has practically put the tie cutting industry between here and Hazelton out of business. The company has sent out an order to the tie cutting contractors that their ties must not be more than 10 per cent hemlock. As the timber between here and Hazelton is largely hemlock the industry is thus crippled.

This action of the railway, it is believed, was taken from the standpoint of the quality of eastern hemlock. The eastern timber is unsuitable for ties but the western hemlock is altogether different and, in the opinion of expert timber men, is of equal or better quality than jack pine which is now being cut.

Had the hemlock embargo not been placed, many men between here and Hazelton might have been working through the winter cutting ties where now they are idle. The camps at Pitman Spur and Skoena Crossing would have been operating. As it is now the only camp running is that at the Crossing which is turning out cedar poles for piling and telegraph poles.

izes Picks Up Wrecked Men at Egg Island

A despatch from Seattle published in the papers to the south tells of the wreck of the cruiser launch Osborne in Queen Charlotte Sound, where it was dashed to pieces on a rock and the three occupants, Capt. E. Osborne of Everett, Henry Erickson of Seattle and J. J. Boyer of Port Angeles, were rescued from Egg Island by the halibut schooner Atlas, Capt. Peter Wold.

The three men left Ketchikan, 150 miles from Seattle, Christmas day, bound for this port, and were crossing Queen Charlotte Sound when they were caught in a heavy storm which swept their little vessel ashore and reduced her to a hopeless wreck. The castaways reached shore safely and succeeded in landing a small amount of supplies. Their vessel, however, had stranded on a barren stretch of the British Columbia shore and they were forced to seek shelter in a deserted Indian shack.

After living on the isolated, storm swept coast for nine days the three castaways crossed over to Egg Island in a small boat, where they sought assistance from the lighthouse keeper and his wife.

PRINCE GEORGE

The Prince George Hospital had 643 cases during the last quarter for an average of seven a day.

A Burns Night concert and dance was held in the Ritz Keifer Hall on Tuesday. The committee was headed by Judge Robertson, who was assisted by D. A. Fraser and George Bennett.

Robert Tyrhust, general manager of the Fraser Timber Syndicate, was out in the woods last week and on his return reported surveys going on satisfactorily.

The P.G.E. camps twenty miles below here are again in full operation. There is little unemployment about Prince George.

The Altar Society of the Catholic Church held an enjoyable tea dance in the Moose Hall last Saturday. It was a highly successful affair financially.

The first installation of officers in the new Oddfellows Hall on Third Avenue was held last Tuesday with District Deputy Grand Master A. M. Patterson in charge.

HEARTBURN LIVER TROUBLE

When the liver becomes torpid and inactive, it cannot furnish sufficient bile to the bowels, thus causing them to become constipated.

The stomach is also affected. In the case of heartburn there is a gnawing and burning pain in the stomach, attended by disturbed appetite, caused by great acidity. Whenever too much food is taken, it is liable to ferment, and become extremely sour, vomiting often occurs, and what is thrown up is sour and sometimes bitter.

Other liver trouble symptoms are pain under the right shoulder, yellowness of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, foul breath, water brash, jaundice, constipation, etc.

Keep your liver active by using Milburn's Laxa-Liver Pills and you will have no heartburn or other liver troubles. Being purely vegetable they do not grip, weaken or sicken like the old-fashioned purgatives generally do.

Mrs. Mary Strone, Glasnevin, Sask., writes:—"I have used Milburn's Laxa-Liver Pills, and they have cleared me of heartburn and liver trouble. I don't think they can be beaten by any other medicine, and I can highly recommend them."

Price 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. ADVT.
