## or Leader Urges Consolidation Anglo Saxon Forces To Prevent Wars: Stands by the British Navy

VANCOUVER, August 23.—Urging his hearers to make way in a Christian spirit, Peter Wright, dean of British marine labor, opened a speaking tour of Canada here. Bishop de Pencier presided. Mr. Wright said he consolidated Anglo-Saxon forces of the world could stand, and he urged that Canada fight for greater expression of Canada's national spirit in the councils of the Empire, and warned Canadians that they could not survive without a navy.

"Uncle Sam," concluded Wright, "but I would not like to put one over on me. But for the British navy Canada and the United States would be in a hell of a mess today." The theme of the speech was "Where Are We Going?" He urged that Canadians find out where they were and not in the formation of a new social post-war fabric. "Don't let that gasometer, that incubator at Ottawa to make the nation. Take a hand in it yourselves," he urged.

Wright takes part in Tuesday's session of the Provincial Council on unemployment. He stated he was not in unemployment insurance because it would encourage

### LEVEL CROSSING COMES UP AGAIN

Council Wants to Know What Progress Is Made on Permission to Government.

The Mayor is to take up with the Provincial Government and the Railway Commission the matter of the level crossing at Cow Bay with a view to ascertaining what progress is being made towards having permission granted to the Government to put in its level crossing.

The matter was brought up at the council meeting last night by Ald. Kerr, who stated that the need of the crossing was being brought more closely to the attention of the city now that the Smith Island rock was being hauled to the streets. Ald. Dybahn stated that yesterday the truck carrying the rock had gone through a roadway and had held up traffic for some time.

Ald. Parker pointed out that there was no road leading to the government wharf which was strong enough for heavy traffic. When the concrete mixed for the Court house was brought in it had to be taken apart.

### DOCK TRIALS WERE SUCCESS

Speed Trials of Canadian Scottish to Be Held Tomorrow.

The dock trials of the Canadian Scottish which took place yesterday were quite satisfactory. H. J. F. Turney, superintendent of the Wallace Shipbuilding and Dry-dock Company Limited, announced this morning. They took place yesterday afternoon and there was no hitch of any kind. Among those present at the trials were, besides the officials of the shipyard, W. A. Wallace and Bert Manthrop, government inspectors; H. A. Bell, representing the Dominion Government; R. R. Neild representing the makers of the boilers, Mr. Pemberton for the underwriters, and Captain Hocking, skipper of the boat.

The speed trials will be held tomorrow, the vessel leaving the dock about 8 a.m. The measured mile between Georgian Rock and Holland Rock will be the points between which the tests are made. Only Mayor Rochester and the officials will be present, no invitations having been issued to the public for the occasion.

The Indian who caught this huge sturgeon in Pitt River, British Columbia, said to be the largest on record, didn't need to exaggerate. The photograph tells the story. It is eleven feet, nine inches long and weighs 1,267 pounds. It was caught with a drift net. The fish that the angler is holding in his hand is a large sized salmon.

### Sea Products Association Plans Building New Cold Storage Plant In Spring

The Pacific Sea Products Association of Canada, although in the meantime it has discontinued to buy fish at this port, is by no means out of business, and the plans of the association are now more ambitious than ever. Until spring it will do no active business, but by then it is proposed to have raised enough capital to build a cold storage plant at the present site at Seal Cove, and then it will carry on a larger scale than ever. In this connection Peter Gill, secretary of the Deep Sea Fishermen's Union of Seattle and a fish man known from the Golden Gate to the Aleutian Peninsula, is in the city and will be busy on the proposition until it is brought to a conclusion in the interest of going into the fish packing spring. The association will be in the future as in the past, company is named the Sinclair Fisheries, Limited, and has taken over the plant of the N. M. & R. Fish Co., at the government dock. It will be renovated and equipped to make a first class fish packing establishment.

### Trades and Labor Congress Discusses Matters of Interest; Wages, Hours and Unemployment

WINNIPEG, August 23.—During the first day the Trades and Labor Congress of Canada in session here accomplished the adoption of a demand for the eight-hour day and forty-four-hour week and the insertion of a fair wage clause in all agreements for labor on public works.

The convention expressed its opinion that the present cost of living did not justify a reduction in wages on the Canadian National Railway.

The report of the executive committee which was read contained a special memorandum on unemployment. Copies of this were distributed and discussed fully. During this discussion many criticisms of the Dominion Government were heard.

### MAYOR GOING TWO KILLED TO ALBERNI IN RAID ON RUM RUNNERS

Will Attend Municipalities Convention and Take Up Other Matters for City.

Mayor Rochester sails on Thursday night by the Prince Rupert for the south, primarily to attend the convention of the Union of B. C. Municipalities which will take place at the same time as the convention of the Good Roads League at Port Alberni next week. This convention will be attended by representatives of all the municipalities in the province and matters of wide interest will be taken up. Through its recommendations will be made to the legislature for enactment and amendment of laws governing municipalities. An important question to be taken up will be municipal and provincial taxation which is to form one of the main items of the program which the provincial government will deal at the forthcoming fall session.

Besides attending this convention as the city's delegate, Mayor Rochester will take up other matters while in the south. He will consult with other municipal officials and experts in regard to the proposed incinerator to be built here and also in regard to the purchase of an ambulance. At the council meeting last night both these matters were laid over until the return of the mayor from the south.

During the absence of Mayor Rochester, Ald. John Dybahn will be acting mayor. This was decided on unanimously at the meeting last night on motion of Ald. Frizzell seconded by Ald. Kelly.
