PILES Are Generally Caused By CONSTIPATION.

There are few, if any, complaints more common than hemorrhoids, or piles, as they are commonly called, and scarcely any which cause more trouble, annoyance and misery.

Ninety per cent. are troubled with them at some time or other, owing to allowing the bowels to become in a constipated condition.

Piles are classed under three headings, i.e. itching, bleeding and protruding, and the excruciating pains which accompany them cause misery which is beyond description.

Ointments and suppositories may help and relieve for a while, but to get rid of them, it is necessary to have a free, easy and natural motion of the bowels, at least once or twice a day, and by doing this the cause will be quickly removed.

Milburn's Laxa-Liver Pills regulate the flow of bile to act properly on the liver and bowels, thus removing the constipation and all its allied troubles.

They contain no calomel or drastic mineral ingredients, being purely vegetable. They are small and easy to take, and do not gripe, weaken or sicken.

Milburn's Laxa-Liver Pills are 25c. a vial at all druggists or dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Grand Chancellor J. Evans, of the Knights of Pythias, returns to his home at Duncan tonight after the lodge banquet. Mr. Evans is quite impressed with this his first visit here and can see no reason why a large city should not develop. He considers that the establishment of a trans-Pacific line of steamers would be one of the biggest things that could happen for this place and would provide a large feeder for the Canadian National Railways.
