MAYOR ROCHESTER NEWSBOYS' BANQUET

Sumptuous Feast Set for "Newsies" in Prince Rupert Hotel Saturday Evening.

The Prince Rupert Hotel was the rendezvous of a very happy gathering on Christmas Eve, the occasion being the giving of a banquet, by Mayor Rochester, to the newsboys of the city. Between twenty-five and thirty boys sat down in the main dining room to a very sumptuous meal and did full justice to the many good things on the table. In welcoming the boys the Mayor said how proud he was to have them as his guests. He hoped they would grow up to be clean, honest, and good citizens, and remarked that he had been a newsboy himself in his younger days.

Master S. Alliston gave his maiden speech, on behalf of the boys present, and passed a vote of thanks to the Mayor for his kindness in inviting them to such a splendid Christmas dinner.

Wesley Gwynne of Resources, W. J. Raymond, of the Empire, and S. G. Webb of The Daily News represented their respective papers and addressed a few suitable remarks to the guests.

Three cheers were given for Mayor Rochester by Master Robb, and the response resounded throughout the building. The singing of "God Save the King" brought a unique and enjoyable gathering to a close.

CHRISTMAS DAY AT GENERAL HOSPITAL

Christmas Day was entirely devoted to the entertainment of the patients at the General Hospital by the staff. Dinner was served at noon, after which the Methodist Junior Choir under the direction of H. C. Higgins, rendered seasonal songs.

Members of the Presbyterian choir also sang Christmas carols. Mrs. Jarvis McLeod and Mr. Teng singing a duet. Mrs. McLeod, Mr. and Mrs. Teng and Mrs. Hill sang various Christmas choruses and Miss Grant accompanied on the piano.

The Canadian Girls in Training, under the auspices of the Methodist Church were responsible for the decorating of the hospital which was carried out in a splendid manner and gave the entire building a real gala appearance. The Methodist Church also provided Christmas boxes for each patient, and the patients' trays were prettily decorated by the efforts of the Baptist Helping Hand Society in charge of Miss Dawson.

The Presbyterian Church gave their Christmas Tree to the hospital.

On it were placed the boxes donated to the patients by the Methodist Church. The Christmas boxes were handed from the tree to the patients by Dr. L. W. Kergin.

The Elks Society gave a very substantial donation to the Ladies Auxiliary of the hospital and many individual citizens donated gifts.

The Girl Guides of the Imperial Order Daughters of the Empire gave a beautiful gramophone as a Christmas gift.

The patients and nurses are very appreciative of the extremely generous contributions and help afforded them at this season, and express themselves as having spent a delightful Christmas.

Joshua Green, in the police court this morning, was fined \$10 for intoxication.

PIT-HEAD BATHS MINES ENGLAND

Institution Being Made Following Years of Propaganda.

LONDON, Dec. 27.—(By Canadian Press).—Pit-head baths may shortly become an institution in British colliery districts. This is the expected result of many years of propaganda, agitation and education, and will probably come through the operation of an amendment to the Coal Mines Act, passed last year, by which it was provided that one shilling per ton on all coal raised should be paid into a welfare fund for colliery areas.

In the course of a year the substantial sum of nearly £500,000 has been raised for this purpose, and its disposal is now being discussed by joint committees consisting of representatives of coal owners and the Miners' Federation. The most active propagandists, the organized working women of the coal fields, are demanding that this money be used in the erection of baths at the pit-head. The matter was brought forward at a recent meeting in London of the standing joint committee of Industrial Women's Organizations, affiliated with which are, among other organizations, the Labor Party, the Women's Trade Union League, the Women's Co-operative Guild and nearly all the great trade unions.

The recent provision in the Coal Mines Act for the shilling per ton fund was the recommendation of the Coal Commission which sat in 1919. During its sitting great stress was laid on the undesirable conditions in the mining districts.

The new dining room at the Inlander is now open. Board by the week or month. Phone 137.

KISSES MAN WHO SHOT HER HUSBAND

Will Now Stand Trial on Charges of Theft and Burglary.

MONTREAL, Dec. 27.—Mrs. Thomas Proctor, colored, threw her arms around Walter Griffith, also colored, and kissed him when a jury in the Court of King's Bench acquitted him of a charge of manslaughter in connection with the death of Thomas Proctor, husband, whom Griffith killed at 113 St. Felix Street on May 19.

The jury found that Griffith killed the other negro in self-defence. In his address to the jury S. W. Jacobs, K.C., for the defence made a powerful appeal.

No Crime, Lawyer Says.

"Killing in self-defence is no crime," he said. "It is not even a wrong act morally, because self-preservation is the first law of human nature. Walter Griffith shot Proctor, but in defence of his own life. He was not bound to wait until Proctor shot him. It was enough if he was in danger of being killed himself. Walter Griffith is a colored man, but I feel that he will receive justice because in British law every man is given a fair trial, irrespective of class or color."

The jury deliberated only a few minutes before bringing in their verdict of not guilty.

The original charge against Griffith was that of murder. At the enquete proceedings of manslaughter was changed to one of manslaughter.

The jury had no sooner uttered the "not guilty" verdict than the dead man's wife threw her arms around the acquitted man, Griffith's wife also kissing her husband.

Griffith was then led away by detectives to answer a charge of burglary and theft of bonds in Toronto. Officers from that city are on their way here to take him back for trial.
