SIR DOUGLAS CAMERON SAYS FREIGHTS HIGH

Scores Board of Railway Commissioners for Recent Ruling

WINNIPEG, Mar. 12.—Trade and commerce is being strangled in Canada through the increased freight rates put in effect some months ago by the Board of Railway commissioners of which Hon. Frank Carvell is the chairman, according to Sir Douglas Cameron of Vancouver, president of the Rat Portage Lumber Co., and former lieutenant-governor of Manitoba, who is at the Royal Alexandra hotel.

"The railway commission," declared Sir Douglas, "has in the past been of great service to Canada, but as constituted today it is a menace.

"I believe the public should rise up and have this matter of freight rates satisfactorily adjusted," he said.

Under existing conditions, the railways, according to Sir Douglas, are "under the shelter" of the Board of Railway commissioners, and they take cover in the commission's ruling when arguments are laid before them that freight rates should not be so high.

"It would be in the best interests of Canada if railways and shippers were on more intimate terms," said Sir Douglas; "I mean that shippers should be in a position to go to the railways, lay their problems on the table, and both interests determine what would be the most advantageous agreement for all parties concerned, having regard always for the future of Canada.

"What do you regard as general evidence of the damaging effect to Canadian trade and commerce through the present freight rates?" Sir Douglas was asked.

"I think the volume of passenger travel and freight traffic is the best evidence of the strangling influence of these excessive high freight rates," he replied.

HEARTBURN LIVER TROUBLE

When the liver becomes torpid and inflamed, it cannot furnish sufficient bile to the bowels, thus causing them to become constipated.

The stomach is also affected. In the case of heartburn there is a gnawing and burning pain in the stomach, attended by disturbed appetite, caused by great acidity. Whenever too much food is taken, it is liable to ferment, and become extremely sour, vomiting often occurs; and what is thrown up, is sour and sometimes bitter.

Other liver trouble symptoms are pain under the right shoulder, yellowness of the skin and eyes, floating specks before the eyes, coated tongue, bad taste in the morning, foul breath, water brash, jaundice, constipation, etc.

Keep your liver active by using Milburn's Laxa-Liver Pills and you will have no heartburn or other liver troubles. Being purely vegetable they do not gripe, weaken or sicken like the old-fashioned purgatives generally do.

Mrs. Mary Strome, Glasnevin, Sask., writes:—"I have used Milburn's Laxa-Liver Pills, and they have cleared me of heartburn and liver trouble. I don't think they can be beaten by any other medicine, and I can highly recommend them."

Price 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. Advt.
