LEGACY FOR SHOEBLACK

Colored Vancouver Is Interested in Ike Rugg, Who Gets \$4800.

VANCOUVER, Oct. 3.—Every one in the colored colony of Vancouver is sharing the joy of Ike Rugg, colored shoeblack, who has just received word that he has fallen heir to a legacy of \$4800 by the death of a kinsman in Chicago. Rugg, an old man, is beloved by his race here because he has always had a helping hand for those needier than himself. He has been known to go without a meal to give succor to a hungry waif, and he has even befriended luckless whites. Rugg's kinsman, states a press report, died in prison where he had no opportunity to spend the value of some property that increased in value during his long incarceration. The aged shoeblack says he will give \$1000 to poor blacks and invest the rest in a little truck farm, thus carrying out his lifelong ambition.

MEXICAN CONSUL BUT NO CITIZENS OF THAT COUNTRY IN PROVINCE

VICTORIA, Oct. 3.—The republic of Mexico has a full consulate in British Columbia, without a single subject of Mexico residing in this province. This fact became known when the Asiatic Exclusion League of Vancouver sought to gather data relating to all alien labor competing with the unemployed subjects of Great Britain and Canada in B. C. Senor Ricardo Medina announced that his consulate was, perhaps, without precedent on the continent, as he knows of no Mexicans now in his province. They are no longer emigrating he says, because

Mexico is becoming too prosperous and Mexicans are going home. His consulate is devoted to attending to exports and imports, and developing a Mexican market for Canadian commodities.

SOME HOTELS ARE NOT PAYING RENT

VANCOUVER, Oct. 3.—With beer bars gone, and an important revenue cut off, a number of hotels in the larger cities are not even paying rent these days. One of the large hotels of Vancouver defiantly tells the landlord to take the place and have done with it. Owners of hotel property say they are making less than 2 per cent on their investment in some instances. The hotel men are taking no active interest in the hotel beer petition, refusing to part with another cent in what they believe is a hopeless fight. They are leaving the Moderation League to attend to whatever details they care to follow. The proposed hotel petitions are not being circulated, so far, and are lying idle, although a door-to-door campaign was originally planned.

PENWIPER SKIRT IS LATEST TO REACH B. C.

VANCOUVER, Oct. 4.—The pen-wiper skirt has arrived. It is the latest vogue and has made its appearance on Vancouver's streets. It is made up of ragged tatters, like a pen-wiper, reaching from a trifle below the knee, in the old director's style. Hosiery of styling design goes with it. The effect is striking.
