**OFFICERS OF DRY DOCK SOCIAL AND ATHLETIC SOCIETY**

Temporary Committee will Handle Events for Month, After Which Permanent Officers Named.

The Dry Dock Social and Athletic Club, which is giving weekly entertainments in the commissary at the Wallace shipyard, is now a going institution and has already had three successful concerts. The object of the club is to provide entertainment for the members of the commissary boarding house and the employees of the yard. Boxing is being paid special attention to and a capable committee familiar with the game has been delegated to arrange meets, the next one being scheduled for next week. It is not the intention of this committee to put on matches with the mere idea of one man winning but they will be more in the nature of exhibitions.

The following officers have been elected for the present month, at the end of which a permanent body of officers will be selected:  
Honorary presidents—H. J. F. Turney, Hubert Wallace and W. A. McDonald.  
President, T. H. Allen.  
Vice-president and manager, J. McDonald.  
Secretary, T. Sanderson.  
General committee—G. Kenyon, L. C. Perry, A. Roy, C. Tennant, J. O'Connor, J. Chisholm and D. Gray.  
Boxing committee—A. Roy, W. Hawkes and Colly Hill.

**MAE MURRAY DANCED HER WAY INTO PICTURE WORLD VIA FOLLIES**

Mae Murray, the pretty film actress who has scored recently in "On With the Dance" and "The Right to Love," made an unexpected debut into motion pictures. She was formerly a stage dancer and was featured in the Ziegfeld Follies of 1915. Her act opened with the showing of a few feet of film, in which Miss Murray was depicted running down the aisle of the theatre to the stage. At this point the curtain lifted and disclosed the dancer in person standing before the footlights in identically the same costume that she wore on the screen.  
It happened that on the opening night of the Follies several film producers were present. All of them noted the excellent manner in which Miss Murray screened and saw possibilities in her as a photoplay actress. The result was that the following day she received no less than five offers to appear in motion pictures. She accepted the one made by Adolph Zukor, because the picture which he had in mind for her, "Sweet Kitty Pellairs," was her favorite story.

**EDMONTON PRICES AT CITY MARKET**

EDMONTON, April 15.—Potatoes on the market were selling at from 50 cents to 60 cents per bushel, a reduction of 10 cents per bushel over the previous week, and at these prices the demand was much better than it had been for some time. Eggs were selling at from 35 cents to 40 cents per dozen, which is an increase of 5 cents over last week, and at these prices most of the dealers were finding a good market. Dairy butter was offered at from 55 cents to 60 cents per pound.  
Fresh lettuce was offered by two or three dealers at 10 cents per pound. Cabbage was offered

**TO DRIVE TUNNEL ON COMMONWEALTH SOUTH OF STEWART**

STEWART, April 15.—Toigen Peterson of Tacoma, a millionaire who is interested in the Commonwealth group, fourteen miles from the canal, Stewart and two miles from tidewater to the Alaska side, is preparing to drive a two hundred foot tunnel under a big outcrop of low grade ore this season. The ore is a concentrating proposition but the likelihood of there being large quantities of it.

**The Man in the Moon SAYS:**

MAN is made of dust and woman is the guster.  
IT was a Prince Rupert man who said he would drink more milk only it made him blue to think of it.  
IONA Mine is the name of a lady who should live at Stewart.  
MOST women think it a good thing to pause for reflection now and then. They stand before a mirror to do so.

THE reason women are so keen on religion is because they like that caveman stuff such as "Thy desire shall be to thy husband and he shall rule over thee" or "Wives be obedient to thy husband."  
WHISKEY may be a medicine, but it is not a drug on the market.  
AND the poor old Emp had a pain in its tummy yesterday.  
ANY shoe store clerk will tell you that women bear pain better than men.  
PUNCH remarks that a Kansas man is reported to be the father of 32 children. It is not known whether he will apply for admission to the League of Nations or just let America represent him for the present.  
A KISS on the lips may show good taste—or it may not.  
A GIRL on being asked why she did not go out on harbor with a chieftain more remarked that while she was fond of Archie it was so thoughtless of him to buy a speed boat.
