## SWIMMING GALA AT LAKE PROVED A GREAT SUCCESS

Excellent Swimming and Diving Witnessed by Large Crowd; War Veterans' Band Music Much Enjoyed

The swimming gala yesterday at the Salt Lake was a great success. In spite of the somewhat threatening appearance of the day, hundreds of people crossed the harbor in private launches and the launches Twenty-three, Pachena, Narbethong, Dixie, Rupert and Oh Baby gave an excellent service, getting the people to and from the lake in good time and without any lengthy delays.

On the other side of the harbor the weather was much warmer than on this side, and the water was comfortably warm, so that the swimmers were able to take part in several entries without feeling any bad effects.

The uncertain appearance of the weather deflated a great many people at home but the executive committee of the swimming club are very pleased at the result.

Everything went off without a hitch. The spectators were all kept off the floats and everyone had a chance to see what was going on. The little folks bathing in the shallow water caused as much amusement as the competitors.

One Hundred Dollars Collected. In the matter of finances, a collection was taken at the entrance to the lake grounds and the sum of \$100 was contributed by the visitors, Ben Self and Cyril Westaway being in charge of the collection boxes.

In regard to the races, good form was shown by many of the youthful swimmers and divers, the swimming of Gedric Duncan, winner of two first prizes, being especially worthy of mention. George Hill in the open classes did excellent work, also winning two first and making a good showing in the thousand yard race against such veterans as Corkie and Steve King. While he came in third in this race he was not far behind and he beat the other contestants.

In the absence of the president of the club, E. B. Tabrum, W. D. Vance, vice-president officiated as chief steward and with him were associated E. C. Gibbons, Joe Scott, Jr., L. W. Palmore and S. L. Warrior, with George Frizzell, announcer; J. Day Bell, starter; Howard White, clerk of course; Ernest Unwin, prize steward; Cyril Westaway, secretary; Mrs. Harry Mobley, stewards.

An excellent program of music was given by the War Veterans' Band, which was much enjoyed. Winners in the various events are asked to call at the office of Peck, Moore & Co., Second Avenue, near the Westholme Theatre this afternoon to get their prize tickets.

The proposition to have an elimination baseball series here during Fair week between Prince Rupert, Prince George and Anyox to decide the championship of Northern British Columbia seems to be about the best one that has yet been brought forward. The idea is received with enthusiasm here and Prince George and Anyox have already signified their desire of meeting the locals on the home ground. If series between these three teams are to be played at all this season Fair Week would seem both the most convenient and the most suitable occasion from almost every standpoint. It would give Anyox and Prince George the chance to meet besides playing with Prince Rupert. Prince Rupert is the natural place for the series as it is located between the two other places.

On Friday night there is to be a banquet in the St. Regis Cafe in honor of the Sons of Canada athletes who have gone through the season so far with such success both at baseball and football. It will be a great gathering of the many players of the society at this time when the close of the outdoor season is almost at hand and the minds of all are beginning to look to inside sports for the winter, most important of which will be basketball. The league football series has been won by the Sons and winning tonight's baseball game from the Elks would give them that series as well. Thus if they do win tonight's game they will have double reason to celebrate.

Amos Rustie, an idol of baseball fans more than 20 years ago sat on the side lines at the New York Polo Grounds during a recent game between the Yankees and White Sox, marveling at Babe Ruth whom he declared to be the greatest figure in baseball. "It's been 19 years since I saw a major league game," Rustie remarked. "The game surely has taken long strides. Back in my day we had some heavy hitters, but none of them could hold a candle to Ruth. I refer to Wagner, Lajoie and Ed. Rehehanty." Twenty years ago when Rustie appeared at the Polo Grounds the cheers were for him but in 1902 he injured his arm and dropped from the game. He has been in the West since and is now over 50 years old. Kid Gleason recognized him at this game and they walked arm in arm to the White Sox dug-out. They were rivals for pitching honors in the old days.

## TWO MILES ON KNEES TO LADY OF HEALTH

Young Wife Carried Out Terms of Vow on Recovery of Husband.

LISBON, Aug. 29.—A curious sight was witnessed in the streets of Lisbon just after dawn recently. Maria Conceicao, wife of a workman, was seen dragging herself painfully on her knees from her house through the busy streets to the Church of Our Lady of Health, thus carrying out a vow made during the illness of her husband, in case of his recovery.

The distance from her house to the church was over two miles and long before she had accomplished one-half of her pilgrimage, her knees were torn by the stones and her dress was stained with blood.

Maria's husband, a young tinsmith, fell seriously ill about six months ago and was given up by the doctors. His devoted wife tended him with loving care and love and when it was thought that he was dying, she prayed for a miracle that should save his life, making a vow that if he recovered she would go on her knees, as a sign of thanksgiving, to the shrine of The Lady of Health.

The husband recovered and the wife has fulfilled her vow.
