

Scatter Sunshine with Xmas Cards

GOOD FORM is largely a matter of doing the right thing at the right time. That is why the sending of Greeting Cards has come to be not merely a matter of GOOD WILL but of GOOD FORM.

With Greeting Cards, as with everything else, the early shopper gets the cream of the stock to choose from.

This year our selection is larger, more varied, we do the printing at our own shop, prices are better than ever before and the demand is going to be exceedingly hard to supply. Order now.

Reduced Prices on Community Silver

Community Silver has just been reduced about ten per cent., and though we have a large stock bought at the old prices, we want to be among the first to pass along any reduced prices we can. Our Community Plate can be bought right here in Prince at exactly the same price as in the largest city.

You will also find our prices on other standard articles just the same as in larger places, and we are trying to give the people a service so it will pay to trade at home. Any special articles not in stock we will be glad to send for on approval.
