## LEFT FOR NEW METLAKATLA

Mr. and Mrs. Robert Tomlinson and Family of Hazelton Went Out On C. P. R. Boat

Mr. and Mrs. Robert Tomlinson and family arrived in the city at the week-end and left this morning on their way to Metlakatla, Alaska, where Mr. Tomlinson will take over the mission work of the late Father Duncan.

Metlakatla was founded by Father Duncan and he left an estate to carry on his work there. It is entirely undenominational and known as "The Christian Church."

Mr. Tomlinson was for years associated with Mr. Duncan and since has been under the United Church Missionary Society stationed at Kleplox and later at the mission hospital at Hazelton.

## Secure Cash During Hard Times

### The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

### Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opportunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

### Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.
