

WHY LEAVE HOME?

When we are right here in the Fraser Valley in the very spot noted throughout all Canada for wonderful dairy cattle and ideal grazing conditions—isn't it rather odd to buy milk canned in another section of the country? Pacific Milk, the choicest product of these fine herds, reduced to the consistency of cream, is not only put up in the Fraser Valley, but it is the only milk put up here—in British Columbia.

COAL BUNKERS GOOD PROJECT

S. S. Magoffin Says Would be Good Investment for Railway Company.

Mr. and Mrs. S. S. Magoffin returned to Winnipeg on this morning's train after a few days' stay in the city.

Mr. Magoffin, who is a member of Grant, Smith & Magoffin, who are building the ocean dock here, states that the original plans of building the superstructure at the dock are to be carried out by the railway company.

Mr. Magoffin is very enthusiastic about the prospects of building coal bunkers at this port and says that their establishment here would be in the interest of the Canadian National Railway for it to build these bunkers here. He intends to interview General Manager Warren on the subject when he is in Winnipeg.

Mr. Magoffin will be back here in about a fortnight's time.

WAGE REDUCTION AT WINNIPEG ANNOUNCED

Bricklayers and Carpenters are to Work for 90c an Hour This Season.

WINNIPEG, May 2.—Ten cents an hour reduction in the present existing scale of wages for carpenters and bricklayers was the decision reached by the Joint Council of Industry and announced by Dr. C. W. Gordon, chairman. Carpenters, who have been receiving \$1 an hour are to be paid 90 cents during the season ending May 1, 1922, and bricklayers' wages are reduced from \$1.25 to \$1.15 an hour.

The matter has been under investigation for more than a week and at the various sittings of the council representatives from both employers and members of the building trades unions were given an opportunity to state their positions and their claims. They all agreed to accept the finding of the council.

DEMONSTRATION PLOTS AT INTERIOR POINTS

Demonstration plots were arranged at Mr. May's farm at Morrice, at F. M. Dockrill's place at Telkwa and at John Bostrom's ranch at Grassy plain.

PECK URGES LOANS TO RETURNED MEN IN FISHING INDUSTRY

OTTAWA, May 1.—Dr. M. R. Blake (North Winnipeg) addressed the special committee on pensions and re-establishment, urging that permanent hospitals for returned men be established at Winnipeg and at other points where needed. The member also asked for more generosity in regard to pension grants.

Col. C. W. Peck, V.C. (Skeena), urged the committee to recommend assistance to returned men who wished to enter the fishing industry. Licenses to Orientals in British Columbia were being reduced, and returned soldiers should be given assistance by way of loans to enable them to enter the industry.

W. G. McQuarrie (New Westminster) supported the request of Col. Peck. Returned soldiers should be encouraged to become the basis of a white fishing population.
