Possess Good Health By Looking after THE BOWELS

A free motion of the bowels, once or twice a day, should be the rule of every one, as half the ill of life are caused by allowing the bowels to get into a constipated condition.

When the bowels are allowed to become constipated, the stomach gets out of order, and the liver does not do its work properly on account of holding back the bile so that it does not pass through the bowels, but is allowed to get into the blood, thus causing a poisoning of the whole system.

If you would escape constipation, sick and bilious headaches, heartburn, floating specks before the eyes, coated tongue, foul breath, the nasty irritating, bleeding, itching and protruding piles, you would keep your liver stirred up by the use of Milburn's Laxa-Liver Pills.

These pills, being purely vegetable, keep your liver working actively, helping it to resume its proper functions, and thereby removing the bile that is circulating in the blood and poisoning the whole system.

Mrs. H. Barrows, Enfield, N.S., writes: "I was troubled with such headaches and constipation. One day a friend told me of Milburn's Laxa-Liver Pills. I got two vials, and found they did me a world of good. I therefore have great faith in them."

Milburn's Laxa-Liver Pills are 25c. vial, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

MAY DAY PARADES NOTHING SERIOUS EUROPE OR AMERICA

U. S. Attorney General Says Normal Times are Returning

OTTAWA, May 2.—There were May Day parades in various cities of Canada, but these produced no serious disorders. Similar demonstrations took place in United States and European cities, but no disorders resulted.

COLUMBUS, May 2.—The quiet observance of May Day throughout the United States is given as an assurance of the return to normal conditions in America. Attorney General H. M. Daugherty declares in a statement given out here.

POST OFFICES IN IRELAND RAIDED

Englishman Shot at Castlereagh and Murderer Shot by Military

BELFAST, May 2.—Five city post offices were raided simultaneously and large sums of money stolen. An ambulance train was held up and a Keery hospital equipment stolen.

Private Weldon, an Englishman, was shot in the streets at Castlereagh and his murderer was afterwards shot by the military.

FIRST-AID FOR THE SKIN

YOU CANNOT AFFORD TO BE WITHOUT ZAM-BUK.

No matter how careful a mother may be in preparing the meals or in house cleaning, she cannot avoid Cuts, Burns and Scalds. Children, likewise, seem to have a special weakness for knocking and bruising their limbs and faces, and for catching any prevalent skin or scalp disease from their playmates.

Whether for Eczema, Abscesses Ulcers, Piles, Bad Legs, Boils, Poisoned Wounds or children's Ringworm, Zam-Buk is the ideal "Home Doctor," being safe, sure and swift in its soothing, healing and antiseptic action.

A unique substance prepared from valuable herbal oils and extracts. Zam-Buk contains no lard or other animal fat nor any poisonous mineral drug. In a natural way Zam-Buk takes the "fire" and smarting pain out of a wound or sore, and it kills and expels disease and poison germs. Having thoroughly cleansed a sore and got rid of all corruption and germs, Zam-Buk then heals it by growing healthy new skin.

There's nothing "just as good" as Zam-Buk because it is a super-balm and is totally different to the host of common salves and ointments often peddled off on the unwary. Zam-Buk is so pure and highly refined that it penetrates into the underlying tissues and roots out skin trouble. Zam-Buk healing is permanent healing for it performs its work in a new way. You can see it for yourself.

SEND FOR A FREE SAMPLE! Cut out this announcement and write across it the name and date of this paper. Forward the cutting with a 1c. stamp (for return postage) to Zam-Buk Co., Toronto. Sample Box will be mailed by return. 50c. box, 3 for \$1.25. All dealers.

Mother's Bad Leg.
Mrs. R. Terrell, 100, Dorland St., Montreal, says: "For five years I had a bad leg, through a bruise. I suffered intensely and couldn't walk about. Other treatments had failed when Zam-Buk was recommended. There was marked improvement as I steadily persevered with Zam-Buk. Soon the leg was—though of five years' standing—was completely healed."

Child's Skin Sores.
Mrs. A. J. Cameron, of Melita, Man., writes: "My little son's head and hands were covered with eczema. I tried numerous ointments, and he was under doctor's treatment for some time, but nothing could cure him. Then I tried Zam-Buk. A week's treatment gave wonderful results, and perseverance with Zam-Buk resulted in the child's skin being thoroughly cleared."

Worker's Burns.
Mr. G. T. Ryall, 542, 10th Avenue, E. Vancouver, writes: "I had my foot badly burnt with electric wire at the saw works. After three months medical treatment the place remained an open sore. Then I began to use Zam-Buk and its healing was wonderful. Inflammation and poison were speedily drawn out, healthy flesh filled the wound and the foot was made quite sound."

MOTOR BOAT WILL SOON BE NEEDED

Those who have motor boats for sale should advertise them soon as the season is coming when they will be in demand. A few dollars spent in advertising a boat usually brings results, if the price is right.
