One Great Essential To a Woman's Health Is Her Nerves

Nature intended women to be strong, healthy and happy as the day is long, instead of being sick and wretched. But how can any woman be healthy and happy when the whole nervous system is unstrung? The trouble is they pay more attention to their social and household duties than they do to their health. Is it any wonder then that they become irritable and nervous, have hot flushes, faint and dizzy spells, smothering and sinking spells, become weak and nervous, and everything in life becomes dark and gloomy?

Milburn's Heart and Nerve Pills are the very remedy that nervous, tired-out, weary women need to restore them to the blessings of good health.

Mrs. P. H. Ryan, Sand Point, N. S., writes:—I have been a great sufferer from nerve troubles. I was so weak and nervous I could not sleep at night and my appetite was very poor. I could not walk across the floor without trembling. I had hot flushes and fainting spells. When I was on my second box of Milburn's Heart and Nerve Pills I began to feel better and felt like a different person. I am never without them in the house and recommend them to all who suffer with their nerves.

Price 50c. a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. Adv.

NEW STANDARD OF BRITISH COINAGE

LONDON, Jan. 14.—A new standard of silver coinage has just been put into effect in the United Kingdom because of the recent increase in the value of silver.

New sixpences, shillings, florins and halfcrowns, now only contain one half of pure silver instead of 37 40th as heretofore.

A larger admixture of alloy became necessary when the old coins became worth more than their face value.

The new coins are harder and are expected to outlast the old ones, which are being called in and will be minted into the new currency.
