CLOSE CONTEST HERE IN MAYORALTY ELECTION

ARMY OF 200,000 MEN SAID TO BE ORGANIZED THROUGHOUT IRELAND

Harry B. Rochester Elected to be Mayor of Prince Rupert

Close Contest in which former Alderman is Victor over George W. Nickerson; War Veteran Leads Aldermanic List

Harry B. Rochester was yesterday chosen mayor of Prince Rupert with a majority of 39 over George W. Nickerson. Keen interest was taken in the election and the poll was a large one, people registering their preferences. City Clerk E. A. Woods was returning officer, with Harry Birch assistant, and a staff of deputies. Everything went well from the official standpoint and there was no delay in balloting. Every facility was offered voters and the counting was quickly and efficiently carried out.

There was keen competition for the position of alderman and school trustee. Several defeated ones came so near winning that the result was in doubt for a long time.

The G. W. V. A. secured two representatives on the council, Mr. Kelly leading the poll, besides securing the grant of the property which they now occupy. The by-law was carried almost unanimously.
