## A LESSON

### THE GOVERNMENT PAID FOR.

Before 1914, Bond Brokers and Bankers were indifferent advertisers. Many who advertised regarded their expenditures as "sop," and thought they were doing publishers a favor.

Then came the Call for War Loans. On the advice of this Association, yet contrary to some Brokers' and Bankers' views, the advertising of these loans was made humanly interesting.

The results you are aware of.

But—here is the real point.

Nearly every Bond House and Bank in Canada is, today, aggressively advertising, and using all the interest and ingenuity at their command to attract business. They observed the power of newspaper advertising, when properly used, and have profited by the lesson.

If you have ever thought you would like to advertise if you could get proper advice on how to go about it, write to this Association. We will give you the benefit of our experience in starting you on the road to successful publicity

## SEVERAL THEATRES FOR NEW YORK CITY

NEW YORK, Feb. 2.—Another flock of New Theatres for New York! Early next month Messrs. Lee and J. J. Shubert are to open the Ambassador, the first of six new theatres which they are building on 48th and 49th Streets near Broadway.

The Ambassador is the first New York theatre to be built on the triangular plan. By this arrangement the angles or "corners" of the building are utilized either for seats, dressing rooms or lounges, the result being that for the space occupied by the theatre there will be an increased seating capacity of about 200. The total capacity of the new theatre will be somewhat smaller than the average Canadian theatre—about 1,300. The opening attraction will be "The Rose Girl," a musical comedy which had its premiere at Atlantic City this week.

## CRIMINALS LEAVE THE UNITED STATES

Make Their Way to England by  
Stowing Away on Ships.

SOUTHAMPTON, Eng., Feb. 1.—Criminals driven out of New York by the efforts to suppress the crime wave there are fleeing to England as stowaways on British ships, say the British mariners. One captain told a magistrate here that stowaways had been discovered on board every Canadian ship that sailed from New York for England for the last three months.

Eight stowaways were found on the liner Imperator on her last trip. They were sentenced to pay a fine of £20 each or serving one month in prison.

## SHORT OF BREATH

Could Hardly Walk

Without Resting.

When you go to a physician to be examined for any heart trouble one of the first questions he asks is: "Are you short of breath?"

Now, when the heart becomes affected here ensues a feeling of a choking sensation, a shortness of breath, palpitation, throbbing, irregular beating, smothering sensation, dizziness and a weak, sinking, all gone feeling of oppression and anxiety.

On the first sign of the heart becoming weakened or the nerves unstrung—Burn's Heart and Nerve Pills are just the remedy you require. They regulate and stimulate the heart, and strengthen and restore the whole nerve system.

Mr. Stephen Grouse, East Gifford, N.S., writes:—"I suffered for five years with heart trouble. I could hardly walk from the house to the barn without resting as I used to get so short of breath. Doctors could not help me. My wife told me to get a box of Burn's Heart and Nerve Pills and I felt better after taking them; three boxes made me quite well. I am now helping my son to work on the farm, and can truthfully say I feel like a different man."

Price 50c. a box at all dealers or mailed direct on receipt of price by The J. S. Burn Co., Limited, Toronto, Ont. Adv.
