RUPERT LOST PLAYING WITH ANYOX FRIDAY

Local Players Lost at Baseball, Billiards and Tennis.

Prince Rupert fared badly in all the sports at Anyox on Dominion Day and met defeat at baseball, tennis and billiards. The baseball team and the billiardists returned to town yesterday afternoon on the Vera Frye, on which the trip was made.

The score of the baseball game on Friday was 11 to 6 in favor of the smelter town players. Harry Astoria was in the box for the opening of the game and later Lidstone went in. Bob Frizzell was the catcher. On Saturday the team went up to Alice Arm where they won by a score of 14 to 7, the battery for Prince Rupert there comprising Curtis and Lidstone.

Billiards.

The four local billiard players were defeated by a score of 961 to 910. In 250 point games Eldridge was beaten by 89 and McIlmoyle by 1. Sedan and Charlton won for Prince Rupert by 2 and 37 respectively.

The local tennis players, Miss Betty Barrow, Miss Phyllis Jenns, G. M. McKay and T. B. Hooper were beaten. They will return to the city on the Camosun tomorrow morning.

Won Boxing Bout.

Joe Farrell, the local boxer, was successful in knocking out his opponent, Gibson in the third round.

The speed boat race between the Wayward Girl and the Violet F. III, did not come off as there was no suitable gasoline in town for the boats.

CARPENTIER BROKE HIS THUMB AND SPRAINED WRIST

MANHASSETT, July 4.—After the fight on Saturday it was discovered that Carpentier had broken his right thumb in two places and sprained his wrist in the second round rendering the right hand useless in the balance of the fight. The hand was swollen to three times its nomal size.

It is unknown what effect the injuries to his hand had on the outcome of the battle. The Frenchman gave a remarkable exhibition of pugilistic skill and gameness against an heavier opponent. He was courageous, speedy, and his lightning-like blows proved him a clever boxer with a moderate punch. Against him were the man-killing smashes of Dempsey against which all skill and speed faded away like fog before the sun.

WILLARD WOULD BOX CHAMPION LABOR DAY

IMMENSE SUM TAKEN AT FIGHT IN GATE RECEIPTS

The receipts from the Dempsey-Carpentier fight on Saturday afternoon amounted to $1,600,000, it is officially announced. This is nearly four times as much as has been taken on any previous occasion. The receipts from the Willard-Dempsey fight amounted to $452,521 and the Johnson-Jeffries bout $270,755. Takings at other bouts were still less.

The attendance Saturday was near 90,000.

Sport Chat

The big fight is over. Another "hope" has gone the way of many others. Georges Carpentier, probably the most popular boxer who ever entered the ring, fought the fight of his life on Saturday and failed. After a brilliant career he has been brought to a stop and will now likely sink into the second-rate class. He will go back to France with his brilliance overshadowed by this defeat.

* * *

After all, the fight on Saturday was largely of the style which Dempsey wanted. He was given ample opportunity to put to work the rough and tumble methods that he uses. Carpentier did not play a defensive battle and let himself open most of the time. He was unable to produce any serious effect, other than temporary staggerings, on the champion. Carpentier was hit more than Dempsey was, and it is well known that the champion is a heavier hitter than Carpentier and is also able to stand punishment better. The way the fight went thus makes it appear that the Frenchman was not in his fighting element, while Dempsey most decisively was. The fight also proves that Dempsey is as great a boxer as he ever was.

* * *

Georges Carpentier finished flat on his face with his legs and arms outstretched in the fourth round. He had been knocked out in a few seconds after a severe gruelling in the first three rounds. First he was sent to the canvas with a left to the body and a right to the chin and then, on rising, received a short right hook to the chin which finished him. When the count was over Dempsey picked up the bleeding and dazed Frenchman tenderly and dragged him to his corner. Dempsey gave Carpentier an unmerciful beating. He opened up a cut under the Frenchman's eye and battered him so viciously around the head with rights and lefts that his face was swollen and bleeding. It was but another example of a battle between brawn and brain.
