## The Irish Situation Is Getting Worse IMPROVEMENTS IN BULKLEY VALLEY ENTHUSE LOCAL VISITORS

### Speaker of Dail Eireann Makes Attack on Lloyd George When Introducing the Irish Delegation

BRISTOL, August 31.—John McNeill, speaker of the Dail Eireann, administered a setback to peace negotiations on Tuesday when he introduced a republican delegation from the northern counties of Fermanagh and Tyrone to De Valera. He made an attack on Lloyd George and the British Government, declaring that the Premier was using Ulster fanaticism against the South of Ireland to disarm republicans while he armed his friends through the Ulster Parliament.

### CIVIL WAR IS RENEWED

Street Fighting of Severe  
Character in Belfast—  
14 Killed.

RELFEST, Aug. 31.—Street fighting of the most severe character continued in the city last night and today fighting is still going on between the Ulster loyalists and the Sinn Feiners. The death toll since Monday night has reached fourteen. Scores have been wounded but the exact number is not known.

A party of men entered Stanhope Street at 9 o'clock last night and opened rifle fire on the crowds. This was the climax of hours of spasmodic fighting in the city in which six people were killed yesterday. Dockworkers going home fired on street cars which had been diverted from the main routes while the passengers lay on the floor of the cars to escape the flying bullets.

### THREE THOUSAND BOTTLES OF LIQUOR HAS BEEN STOLEN

SEATTLE, August 31.—The vault in the government liquor warehouse here was opened with a sledgehammer and 3000 bottles of liquor worth \$30,000 was stolen last night. The police are working on the case and every effort will be made to secure the culprits.

### ASK FOR ROAD JASPER PARK

Edmonton Anxious to Have Communication with Beautiful Park of Interior.

EDMONTON, Aug. 31.—A big delegation of businessmen met Premier Greenfield and took up the matter of the construction of the road through to Jasper Park as a means of opening up the country and making the park available to tourists and also as a means of providing employment during the winter months for the small army of unemployed in the province.

The matter will be considered by the new cabinet at an early date.

### Vancouver Sportsman is Victim of Car Accident

VANCOUVER, August 31.—George Dobson of Vancouver, one of the best known among the bowlers of British Columbia, was killed in an auto accident at Kelowna when on a business trip. He was aged 45 years and was the Vancouver representative of a Stratford-Ontario, furniture manufacturing firm. He had just skipped the winning rink in the Lower Mainland bowling championship, winning the Hudsons Bay silver trophy, which was to have been presented to him on Labor Day.

Dobson leaves a widow and family in Kitsilano.

Details arriving later state that H. McLaren, age nine, son of H. McLaren, manager of Simmons Bed Co., Vancouver, who was also a passenger, died later in the hospital, while his father and Harry Godley, traveller for Simmons, Ltd., was also injured.

The accident occurred a mile south of Westbank on the Okanagan Lake road at the bottom of a deep gully. It is believed the steering gear went wrong, the machine crashing through the bridge and nose dived. Godley was driving. The party was southbound to Penticton.

### IMMIGRANTS MUST HAVE PASSPORTS IN COMING TO COUNTRY

OTTAWA, Aug. 31.—Passport regulations requiring immigrants to have proper passports issued by the country of their citizenship and vised by the British consuls of any country through which they may travel before reaching Canada will be brought into general effect in Canadian ports tomorrow morning.

### NEW SCALE OF WAGES GRANBY

Miners Will Get \$4 and Muckers, \$3.75—Board \$1 a Day.

ANYOX, Aug. 31.—With the return of H. S. Munro, the general manager of the Granby Consolidated Mining, Smelting & Power Co., from New York where he attended a meeting of the Board of Directors, a new wage scale affecting all departments, has been posted and will go into effect tomorrow.

The reduction in wages is rather drastic, made necessary by the low price of copper, the high cost of materials entering into its manufacture and the continued business depression. The scale was posted on Friday and the employees voted on Saturday as to whether they would accept it and continue operations or reject it and close down. The vote was for acceptance by a margin of 783 to 309.

The new scale, which is on a sliding basis, will hold good until April 1, 1922. It will depend on copper not reaching over 40¢ in value and is as follows: Miners, \$4.00 per day; muckers, \$3.75. Board at the company mess will be \$1 per day. House rents will be reduced 25 percent and store prices will be held to the minimum.

The ballot presented to the workers had simply the two

### GREEK TROOPS BREAK THROUGH TURKISH WING

CONSTANTINOPLE, Aug. 31.—(2 p.m.)—Greek troops in Asia Minor have broken through the extreme left of the Turkish Nationalist army, which has lost the initiative. The Greeks have crossed the Sakarua River.

### EMPLOYMENT COUNCIL.

OTTAWA, Aug. 31.—The third annual meeting of the Employment Service Council of Canada opened today. The session will be given over to those actively connected with the provincial labor departments.

### FUNERAL TODAY.

TORONTO, Aug. 31.—The state funeral of Lieut. Governor Clark of Ontario is being held today.

Arthur Davies, formerly of this city and a brother of E. J. Davies, of this city shipped on the Canadian Transporter from this side and he may have been on the vessel when she was wrecked. Naturally E.J. is anxious to hear news of the ship.

words "work" and "close" on it with instructions to place a cross opposite the decision.

### Vancouver Island Farmers Are Against Wages to Unemployed Higher Than for Subsistence

VICTORIA, August 31.—The Farmers' Institute of Vancouver Island, in convention here, declared against the unemployed claiming anything more than subsistence wages during the period of depression and urged that public works should be of a productive or permanent nature. The convention expressed itself as considering the government was not liable to provide the unemployed with more than a subsistence wage and recommended that all foreigners not domiciled in Canada be deported forthwith.

### MIDDLESEX WINNER COUNTY CHAMPIONSHIP

### WIRELESS STATION AT EDMONTON TO TALK WITH NORMAN

EDMONTON, Aug. 31.—A local firm has secured a license to operate wireless station to communicate with Fort Norman and Fort Smith using Marconi equipment. The plant is expected to be completed by spring.

### TWO CANNERIES BUYING SALMON

Balmoral and North Pacific Still Doing Business With Cohoes.

While the majority of the canneries on the Skeena are closed, the Balmoral and North Pacific are still operating, buying cohoes from both Canadian and Alaska fishermen. North Pacific filled all the cans available and then got an extra supply from Mill Bay.

Bob Johnson of Inverness has filled all his cans and is away to Rivers Inlet and will possibly get more. He has a large pack, quite as large as usual, according to reports received from the river.

The stiffening in the price of canned salmon has given an impetus to the canneries that have remained open, as it is not improbable there may be yet another rise in price.

### HEAVY RAINS DELAY HARVEST IN ALBERTA

Mail advices received from Alberta indicate that the rains there have been general and that the harvesting has been delayed a good deal. The condition is particularly true of Northern Alberta.

### Enthusiastic Over Bulkley Prospects Visitors are Home

Enthusiastic over the development of the country and the improvement the Provincial Government is making on the roads and the possibilities of still greater things before long, F. G. Dawson and Hon. Alex. Manson, M.P.P., returned last evening from a tour through the Bulkley Valley, which they made with Hon. Dr. King, Minister of Works. The whole of the valley, some three hundred miles in extent, was traversed by auto from Hazelton to Burns Lake with side trips, and south to Francois and Ootsa lakes. Everywhere they found prosperity and development, and the minister was particularly impressed with the country and with the need of work being done there to keep pace with settlement.

Mr. Dawson, speaking of the visit said this morning that from what Dr. King had said he thought the Government would put in a creamery at Francois Lake, possibly before the opening of next spring, and that the following year there would be one in Ootsa Lake district. A O'Leary, V.C., a conspicuous figure in the war, is registered with the Returned Men's Club as unemployed, along with several Victoria Cross men. O'Leary is married, with two children.

### NO WORD YET OF IMPORTER

Opinion of Masters of Seaching Vessels That Ship Has Foundered.

VANCOUVER, Aug. 31.—While the masters of the vessels are continuing the search it is their opinion that the Canadian Importer has foundered, it is stated at the local office of the C.G. M.M. They have not yet however given up hope that the vessel may be afloat. All ships out of California ports bound for the Orient have been asked to look out for the missing vessel and lifeboats and also the Steamer Niagara en route from Australia, due here on the tenth is asked to watch for her.

The boat load of eleven members of the crew which left the Importer on August 19 if well are expected to reach the California coast any time now.

Speaking of the crops, Mr. Dawson said they were heavy everywhere and much of the hay had been saved before the rain came.

In connection with the general condition of the valley, Mr. Dawson says much credit is due to the member for the district, Mr. Manson has worked hard for the community and deserves a lot of praise.

### PASSENGER OFFICIALS OF RAILWAY VISITING THIS PART OF SYSTEM

R. Creelman, assistant passenger traffic manager for the C. N. Railways, Winnipeg, and William F. Barry, general agent of the passenger department, San Francisco, are in the city today, having arrived from the South on the Prince George. Tonight they will go north to Anyox, and will take Saturday's train for Jasper Park.

Mr. Barry is making his first trip to this part of the province and will go back to California supplied with a fund of first-hand information which he will be able to use to advantage in the business of the company. Special efforts are being made to attract tourists over the Canadian National lines and recently two information bureaus were opened in Los Angeles and San Francisco.

Mr. Barry is in charge of the company's passenger business in the southwestern states.
