Rifle Range at McNicholl Creek May Be Put In Shape As Result of Officer's Visit

As a result of the visit here last Saturday and Sunday of Colonel C. B. Russell, engineer officer of Military District No. 11, it is considered highly probable that the Dominion Government in the near future will grant enough money to put the rifle range at McNicholl Creek in shape for use again. Colonel Russell was sent here especially for the purpose of making an inspection of the site with a view to getting estimates of the cost. On Saturday, in company with Colonel McMullin, head of the Northern B. C. Regiment; Major George E. Gibson, Major S. Johnson and R. W. Cameron, Col. Ross went across to the range where he expressed himself as surprised at the amount of work already done and the relatively small cost that it would take to put it in shape again. It is understood that he will make a favorable report on the matter.

It is several years since the range has been used and during the war, while all or most of the marksmen of the early days were overseas, it fell into a state of disrepair so that, of latter years, it has been impossible to use it.

The Northern B. C. Regiment has been fighting hard for fourteen months now to get established and it was realized that to do so it would be necessary, first, to have an armory or headquarters and a range. Without these it would be practically impossible to hold interest of the members even if the regiment were started. With that end in view the Department of Militia was communicated with and Col. Russell was sent here.

While he was here, Col. Ross also looked over the armory site on Borden Street, where \$30,000 has already been spent in excavation work. Besides other likely places for use as headquarters were examined. Direct results of his visit are now looked for with a good deal of hope.

BASEBALL SCORES

National League	
St. Louis, 1-9; Philadelphia, 2-8.	
Cincinnati, 1-6; Boston, 5-1.

PRINCE GEORGE BALL TEAM IS READY TO PLAY

Elimination Contest for Fair Week Is Practically Assured, Says Ben Self.

Ben Self received word this morning that Prince George was prepared to bring a baseball team here to play during Fair Week and asking how many games they would be expected to play and further particulars in regard to the event.

Word has also been received from Fred Brown at Anyox saying they would have a team here. This insures the elimination contest for the championship of Northern and Central British Columbia, a point which has been under dispute for some time.

The local team will be fairly strong with a good local battery and it is confidently expected here that the home team will win. However there are likely to be surprises in store.

ANOTHER TIE AT FOOTBALL

Sons of England and Sons of Canada Played Gilhuly Cup Game Last Night.

The Sons of England and the Sons of Canada met last night in the second semi-finals of the Gilhuly Cup series and at the end of seventy minutes play the game was called on account of darkness with the score standing two all. Fully twenty-five minutes was wasted by the clubs in starting and it is felt that an example will have to be made to break the habit of tardiness which seems to be growing.

The Englishmen opened the game with the grade in their favor but had to face a stiff breeze. Play was fairly even throughout the early period and finally Tinker opened the scoring for the Sons of England. Anderson, for the Canucks, equalizing shortly afterwards. The Canadians, perhaps, had a little the best of play and Swan, after a nice individual effort, gave them the lead driving hard past Hutton who had no chance to save. This ended the scoring in the first half.

Second Half.

In the opening of the second half, the Sons of England goal had numerous narrow escapes and the Sassanachs were indeed lucky they did not have another goal scored against them. Gradually the pressure eased off and the Englishmen had a long spell of attack, their extreme wing forwards losing many chances. It was Tinker, again, who finally found the net after outwitting the Canucks' defence. The light was very poor by this time and it was difficult to follow the course of the ball. Shortly afterwards the game was called with the score two goals each.

The teams lined up as follows:

Sons of England—Hutton, Danton and Wearmouth; Mansell, Fanthorpe and Craggs; Forrester, Tinker, Fanthorpe, Lamb and Farquhar.

Sons of Canada—Grant; V. Menzie and H. Menzie; Anderson, Shakespeare and Mitchell; Robinson, Smith, Swan, Clarke and Lane.

W. McCulloch was referee and G. Waddell and R. Stuart were on the lines.

The replay will take place tomorrow evening.

Mr. and Mrs. J. E. S. Buchanan, of Winnipeg, and A. R. Piper of Prince Albert, passed through the city today from boat to train. They have been attending the convention of Life Insurance underwriters at Victoria and are taking the opportunity of making their first trip through this part of the country. Mr. Buchanan is representative of the Monarch Insurance Co., and Mr. Piper, of the North American Life Assurance Co.

PRINCE RUPERT WAS VISITING IN MANY PLACES FAR AFIELD

Local Residents Returned From Extensive Trips by Steamer This Morning.

The Grand Trunk Pacific steamer Prince Rupert steamed into port this morning a few minutes ahead of time, bringing with her an unusually large number of Prince Rupert people who have been spending vacations at various places some of them far afield. There were quite a few "grass-widowers" on hand to welcome back their families, the absence of some of which have been even over a twelve month period.

Mrs. William Wilson-Murray and family returned from a visit of some months to Scotland.

Mrs. Jarvis McLeod and her family are back from Salt Lake City where they have been for nearly a year.

Mrs. W. D. Vance and her daughter, Muriel, and son, Billy, returned after having spent nearly three months in Edmonton and Vancouver.

Mrs. A. H. Bailey, accompanied by her daughters, Misses Moya and Jean Bailey, also returned. They have spent a month in the Okanagan country and southern cities.

Mr. and Mrs. E. Van Gastel, gardener at the court house, returned from a four months' trip to their old home in Belgium.

BERT KERGIN WENT UP PACIFIC GREAT EASTERN RAILWAY

Mr. and Mrs. H. F. Kergin and their daughter, Miss "Happy" Kergin, are in the city today on their way to their home in Alice Arm after having visited for a few days in the south.

Mr. Kergin, who is member of the legislative assembly for Atlin, made the trip up the Pacific Great Eastern Railway with the party of members and businessmen which went up from Vancouver last week. They went as far as Cottonwood Creek, the present end of steel. Many of the party had never seen the road and the country it traverses before and the trip was quite a revelation to all.
