

KANTLEEK

It Can't Leak, Because It's Made in One Piece

EVER been scalded by a leaking hot-water bottle? This can't happen with a Kantleek.

Kantleek Hot-Water Bags can't leak. They are "one-piece" water bags—moulded from pure soft rubber into a single piece—no joints or seams. Most hot-water bottles are made in sections and cemented. Cement cracks—bag leaks!

We guarantee a Kantleek for two years—or a new bag free. Ask to see the Kantleek. You may need it tonight.

LITTLE DAMAGE IS REPORTED IN STORM OF THE WEEK END

The city light and power was off in the east end of the town for about an hour and a half this morning on account of wire trouble as a result of the storm. The dry dock was among the places without any electricity. Wires were down in various parts of the city, but little damage has been reported otherwise. Many of the fish boats had to pull away from the wharves to avoid being damaged hitting against them. The Prince John which arrived from the Islands on Saturday night had another very stormy passage.

F. W. Dowling, Dominion meteorologist, reports that 4.89 inches of rain fell in the 24 hours up to this morning and that the peak of the wind was about 40 miles an hour yesterday afternoon around 3 o'clock. Changing to the west last night the storm blew up the river and large falls of snow and rain with high wind are reported on points on the railroad west of here. Telegraph lines were not very seriously affected, although the government line was down for a while this morning west of Telegraph Point.

JOHN EYOLFSON OF OSLAND DIED LAST NIGHT IN HOSPITAL

The death occurred last night at the General Hospital of Tom Eyolfson of Osland, Smith Island. Deceased was a fisherman and was but 26 years of age. He was born in the United States of Icelandic parents and is survived by a brother, John Eyolfson, who resides at Osland. The funeral will take place on Wednesday.

Was Suffering from INDIGESTION

No Fear of Pains Now

Indigestion is one of the worst forms of stomach trouble, and many people suffer terribly after every meal they eat. The rising and souring of the food, pains in the stomach, heartburn, water brash, belching of wind, vomiting shortly after eating, etc., are some of the symptoms.

There is no need for any person to be troubled with indigestion, dyspepsia or any other stomach trouble if they would only take Burdock Blood Bitters, which contains a combination of nature's roots, herbs, barks and berries; a combination that cannot help but put the stomach right.

Mr. H. H. Collins, Norton, N. B., writes: "I was with the overseas forces for four years and two months, and in October, 1916, I was unfortunate enough to be wounded and taken prisoner. I was a prisoner for 4½ years, and the food they gave us was not good, at times, and after a few months I found I was suffering from indigestion. When I came home in July, 1919, I was nearly a wreck. I was told to take Burdock Blood Bitters. I did so and found great relief, and can now eat without fear of pains and sickness. I would recommend B. B. B. to all who suffer from indigestion."

Burdock Blood Bitters has been on the market for over forty years, and during that time has made a reputation second to none for relieving all stomach troubles. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
