WATER GALA IS DISCUSSED

Suggestion Made That Big Civic Holiday Should Be Held Some Wednesday or Saturday.

There seems to have been some discussion in regard to the holding of a local swimming gala. It has been suggested that in view of the divergence of opinion as to when it should be held, there should be a big civic half holiday on some Wednesday or Saturday and that all should unite in making the gala a big affair, especially as swimming is one of the most popular of local sports and because of its importance in the matter of life saving.

Whether the gala would be possible or not could not be ascertained without getting in touch with the large employers of labor. If the shipyard and the building operations would close on a Wednesday, or failing that if the stores could agree to close on a Saturday, there would be possibility of a civic water celebration. Otherwise it would seem to be impossible.

PREPARING FOR ADVANCE

Greek General Thinks Victory Over Turks Assured in Next Engagement.

SMYRNA, July 19.—A complete victory of the Hellenic arms over the Kemalists of Turkey in the next offensive was predicted by Major General Anastasios Papoulas, the Commander-in-Chief of the Greek forces in Anatolia. His army, he declared, had been enormously strengthened since the repulse at Eskishehr, and only by pure chance could the Turks now be successful. He further stated that his troops outnumbered the Kemalists by almost three to one and that his army was so mobile that it could attack at any point along the 500-kilometer front.

The Greek generalissimo, whose appearance suggests the old civil war type of soldier, received the correspondent in the ancient Turkish barracks overlooking Smyrna harbor. He had just finished admonishing a group of officers telling them that they must put aside factional political feelings, think only of the good of their country and leave politics to Athens. He exhorted them that they must consider themselves as fathers and brothers to their men, and be true to their duty to God and the King.

ALDERMEN FAVOR ALLOWING COURT FOR HAND BALL

Ald. McNeill brought up the matter of establishing a hand ball court on the vacant lot next to the City Hall at the council meeting last night, and all the members went on record as favoring it although no definite resolution was put through. The idea was primarily that the court be used for the firemen and policemen to give them more recreation than they are now getting. The space used will be 30 by 15 feet with 14 foot walls on the 15 foot ends. The city is asked to supply the 1600 feet of lumber that will be required to build the court and the work will be done by the firemen and others.

WIDELY KNOWN MAN DROWNED

Ben Stone, Pioneer of North, Met Untimely Fate at Mouth of Skeena River.

The death occurred yesterday by drowning off the mouth of the Skeena River of Ben Stone, a well known citizen of this city and a pioneer of the Yukon country. First word of the sad happening reached the city last night from Mr. Chambers, of Inverness Cannery, out of which the deceased had been employed as a fisherman. The body up to noon today had not been recovered.

The drowning occurred about half a mile west of Green Top Island and report was brought to Inverness by the captain of the gas boat Florence who towed the one man sail boat, from which Mr. Stone was drowned, to the cannery. It is believed that the unfortunate victim of the accident was drowned when he fell from the boat. The occurrence is said to have been witnessed by a Japanese fisherman. This afternoon the witnesses will arrive in the city and an inquest will then be arranged for.

Lived in Yukon.

Mr. Stone was 57 years of age and was born at Greenspond, Newfoundland. He was married and his widow and three surviving children reside in the Thomas Block, Kilton Street. Three sisters, two in Victoria and one in Newfoundland also survive. Deceased was a member of the Anglican Church and belonged to the Orange Lodge. He had lived in the Yukon for twenty years where he was engaged in mining. He came to Prince Rupert about four years ago and was employed for a time by the Canadian Fish and Cold Storage Co. He was widely known here as well as in the Klondyke.

MAKE CITY PEOPLE PAY MOST TAXES

SOFIA, July 19.—The peasants are now firmly established in power in Bulgaria and legislative bodies, both state and provincial, in which their representatives are in the majority, are engaged in transferring the burden of taxation to the shoulders of the despised city folk.

The district council of Roustehouk has evolved the following taxes which it styles "American":

Carrying a parasol, 50 levas yearly (nominally worth 49 cents each); skirts more than 14 inches above the ground or wearing silk stockings, 500 levas; wearing gloves between April 15 and September 15 without a doctor's certificate, 200 levas; wearing jewelry, 300 levas; keeping pet dogs, 500 levas; use of walking canes by persons under 50 years of age in good health, 100 levas; wearing shoes with tops exceeding 11 inches high, 200 levas; fur tippets or muffs, 500 levas; and using baby carriage in cities, 200 levas.

Frank Dowling, general superintendent of Government telegraphs for this district has returned from a visit in connection with his departmental duties at Queen Charlotte Islands.

Mr. and Mrs. A. D. MacFarlane of Victoria are expected in Prince Rupert tomorrow on a visit for a few days. They will be guests of Mr. and Mrs. R. Erskine at Digby Island.
