Another Epidemic of the Spanish Influenza

A great many authorities have predicted a return of that terrible plague which swept Canada from one end to the other not long ago and left so many deaths in its wake, and those who did survive were left in a great many cases with serious after effects such as weak heart, shattered nerves, impoverished blood and a general weakened and exhausted condition of the system.

If you are run down, heart not just right, nerves a little shaky, take a few boxes of Milburn's Heart and Nerve Pills and fortify your system against this terrible plague.

If you had the "flu" before and it left you with any bad after effect Milburn's Heart and Nerve Pills will bring you back to health and strength.

Mrs. C. C. Palmer, Keppel, Sask., writes: "I wish to inform you of the great good Milburn's Heart and Nerve Pills did for me. After a bad attack of the Spanish influenza my heart and nerves were left in a very bad condition. I got two boxes of your pills and must say they are the best I ever used, and I have taken a great many different kinds. I will always keep Heart and Nerve Pills in the house."

PRINCE JOHN WILL RESUME HER SERVICE

Will Take Queen Charlotte Island Route While Albert Starts Freighting

The Grand Trunk Pacific steamer Prince John, which for the past few months has been lying idle at this port, is to resume service again next Monday when she will sail for the Queen Charlotte Islands in place of the Prince Albert which will start a general freight service.

On Monday the Prince John will make the round trip to all island points and, on her return to Prince Rupert, will take up the regular service between Vancouver and this port by way of the Islands both northbound and southbound. Captain Donald will be in charge of the Prince John while Captain Nodden will take command of the Albert.

On Saturday the Prince John will be taken up to the dry dock where her hull will be painted. General repairs to the vessel have already been completed.

With the beginning of the bi-weekly service by the Prince George and Prince Rupert, the Stewart run will be made by the former vessel on Saturdays.
