

# "I HAVE PROVED"

Zam-Buk invaluable for eczema, both in the case of my baby and myself," says Mrs. L. Bonin of West Ararat, N.S. She adds: "My baby's skin was badly broken but repeated applications of Zam-Buk entirely cured it. In my own case, I had eczema on my hands, which made it very inconvenient for me to do my housework. Particularly was this so as it aggravated the trouble so as to put my hands in water. By using Zam-Buk, however, I soon got relief and it was not very long before every trace of the trouble had disappeared. I really think no home remedy is so good for all skin troubles as Zam-Buk. All dealers 50c. box."

### Unaffected by Time

Many old people are people who appreciate the fact that a diamond is one of the very few things that escape the ravages of time.

Custom is wise, therefore, in preserving the diamond as the heraldic symbol. Fifty years hence it will be just as beautiful as on the day it was purchased.

Birks' Diamonds are favorably priced because of our buying power.

## ELKS WINNERS OVER RED SOX

### City League Fixture Last Night Proved One Sided Affair—Score 11 to 3

The City League baseball fixture between the Red Sox and the Elks last night proved a further one-sided affair and the latter were easily winners at the long end of a score 11 to 3. Although the first run of the game was for the Sox in the first inning when Hatchford crossed the plate this was evened up by Menzies, of the Elks, in the second and in the third inning the side brought in five runs. From then on the Red Sox were not at all threatening and were only able to get two more runs to the five of the winners. In almost every department of the game the Elks showed up to better advantage than the Sox.

Valpey, in the box for the Elks, pitched a good game and received excellent support from his field. Easson was behind the bat for the side, Harry Astori, although not securing as many strike outs as Valpey, pitched well for the Sox and received better support than in the team's last game although there is room for plenty of improvement yet. In the third innings, when the Elks scored five runs, the pitcher let go several hits and his field fumbled the ball when they should have been playing airtight.

## HOW TRAFFIC WAS CONDUCTED AT THE DERBY YESTERDAY

LONDON, June 2.—The highways leading from London to Epsom Downs yesterday were crowded from dawn yesterday with people journeying to the Downs to witness the running of the classic English Derby. The railroad services were restricted on account of the coal strike. Almost every kind of vehicle was called into use while high overhead airplanes swooped and buzzed as they watched the slowly moving traffic along the side of the river below and signalled the ground officers of trouble anywhere along the road. The King and the Queen for the first time drove to the course in semi-state. Twenty-three horses ran.
