PREFERENCE TO RESIDENTS

Unemployed Coming From Outside and Getting Relief Work, Say Men.

EFFORT TO BE MADE TO RELIEVE DISTRESS

That the citizens of Prince Rupert now unemployed get the preference over men from outside in the work which the city is doing was the request made to the city council at their regular meeting last night by the representatives of the unemployed. J. J. Gillies, addressing the council stated that men from the outside districts were coming to town and getting city work, while at the same time there were many citizens, with their homes and families here, unemployed. He understood that there were around 350 men waiting for work.

Men With Families.

The mayor intimated that he had already had this matter up with the city engineer and had requested him to pick out the resident citizens with families and give them the preference. These men the city will have to take care of, said Mr. Rochester, and everything possible done to alleviate distress.

The city engineer was called in and stated that since the last delegation had waited upon the council in January some 532 time checks had been issued to 212 men, amounting to \$5,025.50. He had a list of 315 men wanting work and he would have each case investigated and the work proportioned, giving preference to married men with children, then married men and last single men.

Some With a Wad.

L. Dewhurst who was with the delegation, mentioned that men with a wad were getting city work, while other citizens who needed work were without it and he agreed that investigation was right and proper.

A suggestion of Ald. Dybbavn's that the matter be left in the hands of the mayor to take whatever steps were necessary was seconded by Ald. McNeill. He said that some of the men were doing the city.

Alderman Parker urged that the most necessary work be done first. It would be poor business unless there was a fair return for the work expended. Besides, he wanted efficient work done for the money paid.

Fair Day's Work.

Mr. Dickens, of the delegation, rather took exception to Alderman Parker's remarks. He said there were doctors, lawyers, parsons, clerks, boiler-makers, men living on "coffee and" and on one meal a week unemployed and these, unused to manual labor and unfit, how could they be "efficient?" Alderman Parker said what he wanted was a fair day's work for a fair day's pay.

Mr. Dewhurst asked that the foremen be given specific instructions regarding this which he thought would meet the case.

Take Care of That Cough

Some people get a nasty cough and don't pay much attention to it, saying, "Oh, it will wear away in a short time," but while it may wear off, serious injury may have been done to the lungs and respiratory organs by the prolonged, harsh, racking coughing.

On the first sign of a cough or cold get a bottle of Dr. Wood's Norway Pine Syrup. It will stop that nasty, troublesome cough, ease the tightness across the chest, and loosen the phlegm.

On the first sign of a cough or cold get a bottle of Dr. Wood's Norway Pine Syrup. It will stop that nasty, troublesome cough, ease the tightness across the chest, and loosen the phlegm.

Mrs. Wm. Earnshaw, Apsley, Ontario, writes:—"Last winter I caught a bad cold, had a sore throat and a terrible hacking cough that I could not get rid of. I could not sleep at night. I tried quite a few remedies, but they did not do me much good until I got Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles, my cough was all gone. I feel that "Dr. Wood's" has no equal."

When you get Dr. Wood's Norway Pine Syrup, you are not experimenting with new and untried remedies, but one that has a reputation extending over thirty years.

WAR VETERANS' ANNUAL BALL

Very Large Number Attend Enjoyable Event at St. Andrew's Hall.

One of the events of the season as usual was the War Veterans' ball which took place at St. Andrew's hall last night. In spite of the Lenten season, which kept many away, there must have been over four hundred people present and the floor was well filled right up to three o'clock, when the dancers dispersed.

The arrangements were in the hands of a number of committees with Capt. Forby at the head. All worked well and brought great results. The decorations were unusually fine, flags having been borrowed from many organizations and the Valentine emblem being much evidence.

There was a buffet supper, the serving of which commenced about eleven o'clock. During the supper interval music was supplied by a Magnavox loaned for the occasion by Walker's Music Store. The committees were as follows:

- Decorations—Jack Edwards, assisted by the basketball girls' team and many members of the G. W. V. A.
- Floor—Col. McMorde and Sid Thompson.
- Tickets—Sergeant Jefferson and Bert Wearmouth.
- Door—Sergeant Warrior and assistants.
- Refreshments—Mrs. Woodland, Mrs. Leek, Mrs. Orchard, Mrs. McMordie, and a committee of ladies who prepared and served the excellent supper.
- Lighting fixtures were loaned by Pattinson & Ling.
- Will Edmunds' augmented orchestra provided the music, the instrumentalists being Miss Curtin, and Messrs. Price, Brown, Ross, Peyton, Greenfield, Steel, Kelly and Beale.
