BRINGING UP FATHER

WILL ATTEND CONVENTION

James Campbell Left Today for
Port Arthur G. W. V. A.
Gathering.

James Campbell, until a few days ago secretary of the Great War Veterans Association, left this morning for Port Arthur to attend the annual convention of the G. W. V. A. which is to be held from October 17 to 22. A hurried meeting of the local organization was held in response to a call from headquarters and Mr. Campbell who is employment officer here, was given permission from the provincial government to take the holiday.

Among the matters to come up at the convention is particularly that of unemployment and Mr. Campbell will be particularly well qualified to deal with it. Other matters will be re-establishment, housing, pensions, insurance, disarmament, British Empire Service League, adjustments of credits on overseas pay, business credits for ex-service men, the federation of veterans' organizations, and the formation of an organization of the sons and daughters of veterans.

Unemployment.
Believing unemployment to be the most pressing national problem of the day, the G.W.V.A. convention will appoint a special committee, composed of one member from each province, to prepare resolutions with regard to unemployment among ex-service men. A solution of the unemployment situation, Dominion Command officials says, will occupy a considerable part of the time of the convention. Points discussed will include state unemployment insurance; proper distribution of labor through the Employment Service Council of Canada; municipal, federal and provincial governments to require all contractors to employ at least 25 percent ex-service men; the immediate establishment of provincial and local advisory councils to the Unemployment Services and cheaper railway rates for ex-service men travelling to a place of appointment.

Secretary of Typos.
Mr. Campbell is not only employment officer here but is also secretary of the local Typographical Union and until recently was secretary to the employing printers of the city and of the G.W.V.A.
