TORPID LIVER For over 4 Months

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.
When the liver becomes lazy, slow or torpid it is not working properly, and does not supply sufficient bile to thoroughly act on the bowels and carry off the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.
MILBURN'S Laxa-Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and cause so many troubles.
Mrs. Alice Mehill, Nanaimo, Ont., writes: "I was very badly run down, and had a torpid liver for four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Milburn's Laxa-Liver Pills, and before I had used half of it I was much better. I only used two vials, and am a different person today. I can safely recommend Laxa-Liver Pills to any one troubled with liver trouble."
MILBURN'S Laxa-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The F. Milburn Co., Limited, Toronto, Ont.

The Man in the Moon SAYS:-

THE poet sprang one of his ever lasting truisms in this wise: "In spring the young man's fancy lightly turns to thoughts of love." But he didn't say anything about what the thoughts of the Old Man turned to. Poets can seldom be induced to deal with such matters as calomining, painting, shovelling and seeding. The vital question of the moment is how far apart to put potential parsnips.

WHILE the poet might not have attempted to sing of the rougher side of springtime I, no juggler of pretty language will clump in where poets feared to tread; My wife is now washing the curtains; The carpets are out on the line; And I in the kitchen am trying To unstreak the streaked calomine.

Possible Birth Notice

Born, to Mr. and Mrs. Jack Canuck, in the northern part of B.C., a province.

THIS is the sort of stuff they print in the Winnipeg papers:

Modesty of my lady fair Climbs upwards by degrees; In years gone by 'Twas ankle high, But now it's reached her knees.

ANOTHER example of the depravity of the prairie press is seen in the following extract:

The wife of a fellow in Gloucester Bought a hat and ten guineas if concealer.

When the bill he received Her husband got peeved With his wife, so he went and divorced her.
