Fine Carving

Chief Lewis Gray of Port Simpson Has Two Fine Chairs at Fair Building

An interesting feature in the Indian section of the Exhibition Building is an exhibit of two carved chairs by Chief Lewis Gray of Port Simpson. Part of the decoration consists of a chief's crest set in abalone. The tools with which the work was done are also shown at the building. The wood used is yellow cedar.

Chief Gray is certainly a clever carver and the chairs are fine examples of his handiwork.

BIG CROWD EXPECTED

With Special Attractions Arranged, Exhibition Will Draw a Large Turn-out Tonight It is Anticipated

With weather conditions showing a definite tendency towards improvement, it is expected that the biggest crowd so far will attend the Prince Rupert Exhibition tonight. Special entertainment features are being arranged and these, in addition to the straight fair attractions, will draw a large gathering, it is anticipated. Today has been designated as Citizens' Day.

Yesterday was children's day and there was a bumper crowd of youngsters in attendance. Last evening the vaudeville program was repeated with certain variations and went off very well.

In barrel boxing S. Murray won from S. Currie in the 100-pound class while Pete Chenoski defeated Han Antonelli in the 125 pound class. Murray and Chenoski will be on hand to take on all challengers tonight.

There will also be another vaudeville program this evening as well as a jitney dance.

Baseball, lacrosse and field sports are being staged at the Acropolis Hill grounds this afternoon and this evening the five-a-side football competition will commence.

Secure Cash During Hard Times

Daily News Want Ads.

The Classified Ads.

Many people have something in the house they would like to sell which could be turned into money if they knew of a customer. Try a classified advertisement. Most people read the classifieds. For about fifty cents you can let them know about it and it may prove a profitable transaction.

Renting the House

There are a number of houses in the city not rented yet and many people make little effort to secure a tenant. Others who are wise to their opportunities try a classified advertisement in the "For Rent" column and often get results. As one satisfied customer said recently: "Those little ads certainly do bring results."

Some Like Reader Ads.

Some people after trying other kinds of advertising decide to try a reader among the locals and personals. Then they have got results. The cost is a little higher but they have been well satisfied. When conditions are like they are today the newspapers can often help. The price is not very high. Do not lie down and bemoan your hard fate. Try a different kind of advertisement and if that is not successful try again.
