Eat More BREAD

It's Better When Baked by Electricity

BREAD is absolutely your BEST and CHEAPEST food. Buy ELECTRIC MILK BREAD and you'll find you and the kiddies eat much more of it and you'll probably say, as scores of others have said, ELECTRIC BREAD is not economical. This is a great mistake, as bread is the greatest nerve and muscle builder of all foods. Encourage the kiddies to eat more bread by giving them ELECTRIC MILK BREAD, which is not only appetizing but satisfying, because of its high quality. Try our bread and you'll want no other. If you have been making your own bread we can save you a lot of valuable time and hard work. Our RAISIN BREAD and HEALTH BROWN BREAD (which is the only 100 per cent. brown bread in B. C.) are both very nutritious and healthful. TELL YOUR GROCER YOU WANT ELECTRIC BREAD. A good variety of cakes and pastry always on hand.

YOU WANT THE BEST. WE ARE HERE TO SEE THAT YOU GET IT.

DEALS WITH MANY TOPICS IN LECTURE

Function at Fort Fraser Proves Interesting to Interior People.

FORT FRASER, Nov. 11.—On Wednesday evening Principal W. H. Smith of Westminster Hall, Vancouver, delivered his long anticipated lecture on "The New Canadian Nationhood" in the Fort Fraser public hall which was well filled for the occasion. Rev. H. Graham occupied the chair.

The speaker introduced his subject by tracing the development of nationality from the individualism of past centuries. In a lucid and interesting fashion he proceeded to deal with the changes brought about by the Great War and the important position taken by Canada in the council of the nations. Outstanding problems such as the drink traffic and the social evil were dealt with in detail. For upwards of an hour the lecturer held the undivided attention of those present, his closing appeal being very effective. "A new day is dawning," he said, "and everyone has a part to play in making our Canadian national ideals real."

Immediately following the lecture, a banquet was held in the Esplanade Cafe at which the Government agent, F. Fraser, presided. The tables were set for sixty and were well filled. A varied toast list was proposed. The chairman spoke to "The Empire," John Ross to "The Lecturer," Rev. H. Graham and J. P. Myers to "The Church" and W. J. McAllen in a racy and witty speech to "The Ladies," responded to by Mrs. N. B. Wallace. The entire function was an unqualified success and the thanks of all are due to the ladies of "Our Club" who so willingly assisted. The proceedings terminated with the singing of "God Be with You Till We Meet Again."

Children's Coughs Quickly Relieved.

It is hard for a mother to keep the children from taking cold; they will run out of doors not properly wrapped, or have too much clothing on and get overheated and cool off too suddenly, they get their feet wet, kick off the clothes at night, the mother cannot watch them all the time, so what is she going to do?

Mother should never neglect the children's coughs, or colds, but on the first sign should procure a bottle of

DR. WOOD'S NORWAY PINE SYRUP

It is pleasant and nice to take, and relieves the cough or cold in a very short time and thus prevents bronchitis, pneumonia, or perhaps consumption getting a foothold on their systems.

Mrs. E. Smith, 288 Victoria Avenue, North, Hamilton, Ont., writes: "I have three children who have had very bad colds, due to change of climate. I have tried different remedies, but I seem to get the best results from Dr. Wood's Norway Pine Syrup. I have no difficulty in giving it to them as they like it. I always have at least one bottle in the house."

Price, 35c and 60c a bottle at all dealers. Put up only by The T. Milburn Co., Limited, Toronto, Ont.

"DREAM STREET" SAID TO BE GREAT PICTURE

Play Is Based on Love and Adventure in the United States.

In "Dream Street" at the Westholme tonight, Gypsy Fair is the pride and pupil of her old father, a former dancing master, now member of a minor dancing team in a music hall, and supporting the household with her earnings. She is gentle, brave and gay, swift and restless as a bird, with a splash of Southern blood in her. Poverty has placed the father under the thumb of an inspector of police, as a paid informer, a "stool-pigeon."

During a street fair, so gay that it almost seemed that dreams came true, she meets James "Spike" McFadden and his brother, Billie. Spike is young, brawny and swaggering, conquering the males with his fists and the girls with his splendid looks, physique and baritone voice. Billie is weaker, but aflame with melodies which he tries to express.

The sudden stopping of a stubborn mule throws Gypsy at Spike's feet during the fair, and the next time he sees her he considers himself an old acquaintance. An impression Gypsy promptly changes.

But Gypsy's heroism during a fire at the music hall makes her all the more desirable. During a panic, she quieted the crowds by her bravery, beauty and talent in dancing, when all the other players refuse. For this valor, she is given an advance in salary and opportunity.

In the audience that night are Spike and Billie, also Sway Wan, renegade wanderer from a noble family in China, present keeper of a secret gambling den for which the police are searching.

During the abandon of the dance, Gypsy throws her garter into the air, and Sway Wan catches it. Though she was unknown, Sway Wan occupied a room just across a narrow corridor from her, so he could often see her through the window, and almost touch her. He comes, to admire her greatly. That night he meets her outside the stage door, and presents her with a diamond bracelet.

Resenting his familiarity, if Gypsy meets the Police Inspector, and with a great idea for the release of her father from his unpleasant obligations, agrees to trade a tip on the whereabouts of the gambling place, to which Sway Wan had invited her in return for her father's exemption.

This is only part of the story.

WINDOWS DECORATED FOR ARMISTICE DAY

Poppies Are Freely Used by businessmen of City.

Several of the local business houses, particularly the cigar and tobacco stores, have made special efforts to attractively decorate their windows with poppies and emblems of Armistice Day. It goes without saying that Prince Rupert, will not be behind, in any way, in celebrating the day in common with all other parts of the British Empire and her Allies.

That the funds collected on this day through the efforts of the tag sellers and other sources, will result in substantial benefit to many who will indeed appreciate it, is a pleasing thought to many who are aiding in doing "their bit," towards honoring the memory of the many brave men, who lie buried in "Flanders Fields."

DENTAL CLINIC IN THE PUBLIC SCHOOLS

At the school board meeting last night a letter was read from the Trades and Labor Council asking for the institution of a dental clinic in the new school. Trustee McLennan explained that provision had been made for a room there in which to take up the work. They had had the matter under consideration. It was left to be taken up in the estimates.

Bert Manthorp, boiler inspector; W. A. Wallace of the British Corporation and J. J. Neild, representing the manufacturers of the engines on the Canadian Britisher, went south last night.

ENGLISH ELECTIONS SHOW FOUR WOMEN AS MAYORS OF CITIES

LONDON, Nov. 11.—Mayors elected at the municipal elections include 140 Conservatives, 125 Liberals, 15 Labour, 12 Liberal Unionists, 17 independents, 2 Independent Liberals, 15 politics unaligned. Also there were four women elected as mayors.

The figures give no indication of the general state of political feeling as a long standing arrangement in many cities and boroughs is in force whereby Liberals and Conservatives are elected alternately.
