Ambulance is Badly Needed.

Early this morning when the two engineers were brought in badly injured from up the river, they had to be driven to the hospital in ordinary taxi cars. No provision has yet been made to provide the necessary ambulance to which attention has been drawn many times.

Off to Salt Lakes For a Swim.

Tomorrow night the Swimming Club is to have its annual meeting. The weather is gradually changing and very soon we shall all be ready to visit the Salt Lakes for a swim.

The swimming club has done splendid work in the past in connection with the improvements to Salt Lake. The public have supported the work generously. It is to be hoped that this year there will be no falling off in the enthusiasm and support.

No Reduction Of Armaments.

It looks as if the lessons of the past have not been learned and the mad race for armaments is likely to continue, in spite of the great sacrifices of the war and the hopes entertained that it would prove to be the last.

The Allies are discouraging the military spirit in Germany by making that country pay the cost of the trouble she gave the other countries. The Allies are a unit in their determination to force payment and to comply with other terms of the peace treaty.

It is a good thing to see that Germany is kept out of the military race for supremacy, but little advantage will be gained if another race is to take its place, that between United States and Japan, with Britain as an interested third party.

Possibly the treaty between Britain and Japan may aid in smoothing things out with the United States and in bringing Japan into line in regard to disarmament or a scheme for restriction of armaments.

Premier Oliver and P. G. E.

Premier Oliver, minister of railways for B. C., is having a great time with the P. G. E. It is like the wild cat the man had up the tree. He finds it difficult to hold it and more difficult to let go.

Now Mr. Oliver is trying to get the Dominion to take over the railway or at any rate to bonus the extension into the Peace River. The difficulty is that the Dominion Government has had all it wants of railways and would like to let go some of those it already owns.

SAVED FROM LIFELONG MISERY

And a Dangerous Operation, by Taking 'FRUIT-A-TIVES'

MRS. M. J. GORSE 8928 Union St., Vancouver, B.C.

"I suffered with all the symptoms of Female Trouble, with chronic Constipation and constant Headaches. I had pains low down in the back and sides of the body. I tried various remedies without relief, and then put myself under a doctor's care and he advised me to have an operation. I refused.

Then, I started taking 'Fruit-a-tives'; and from the outset, I felt better, and this medicine has completely relieved me of all my misery and suffering. My weight was only 143 pounds and now it is 168 pounds.

MRS. M. J. GORSE. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited Ottawa, Ont.

C. N. R. OFFICIAL SAYS BUSINESS IMPROVING

Robert Creelman Gives Interview in Edmonton Regarding Prospects

EDMONTON, April 23.—Visiting this city after an extensive tour that took him to many of the coast cities as well as the large centres of the Eastern states, Robert Creelman, assistant passenger traffic manager of the Canadian National Railway, stated that a general improvement of business is everywhere prevalent and that the present season should witness great strides along stable industrial lines.

Edmonton and Alberta generally, Mr. Creelman says, is particularly fortunate in having returned to almost normal conditions. In the United States a general chaos in business and industry exists and it is expected that a considerable time will elapse before the United States will return to a normal and settled basis.

While in the United States Mr. Creelman found many Americans anticipate coming to Canada this year. The resources department of Seattle routed fifty-two settlers to Canada during the month of March, which, considering the early period of the year, was considered a record for the office.

YOUNG INDIANS FROM PORT SIMPSON STOLE FISH—GO TO PRISON

Paul Price and Joshua Tait, Port Simpson Indians, appeared before Judge Young yesterday afternoon and were sentenced to twelve months and nine months respectively, at Okalla Farm, for the theft of salmon valued at \$40 from a gashoat at Port Simpson.

The arrest was made at Port Simpson when the youths attempted to sell the fish which they had stolen from the launch M. and E. which was moored at a wharf. They were brought to town by the officer and elected for speedy trial, pleading guilty. Price was given the longer sentence for he was found guilty of theft at Vancouver on a previous occasion.
