GREAT INTEREST IN EGG LAYING

Are Local Hens in Running for Egg Laying Championship?

Dempsey and Georges might as well forget it. They might as well slink off into the wings and out the stage door because there's another act coming on. The program announces the Canadian Professional Big Egg Contest.

From Vancouver on Friday came word that a White Leghorn had beaten the record created by an Ottawa fowl a week ago and had secured the heavyweight championship for the Dominion. A Calgary Buff Orpington took up the challenge and on Friday nosed out the Vancouver favorite by a scant margin both by way of the long diameter and also around the short diameter.

Intense Interest An intense interest has developed in sporting circles through the fight for the egg pennant and the report is current that a number of Victoria hens are going into training.

An egg-laying tournament is rumored, fowls from all over Canada to compete. It appears likely that Tex Richard may take up the proposition, but if he waits as long in watching the aspirants as he has in the Franco-American internationale he will have to decide the matches with the pulling of wishbones, for a hen stays in the manufacturing business only a certain length of time and then becomes mere meat and soup without soul.

Victoria Offers Prize In the regulations it must be set out whether a double-yolk-and-white filling is permissible, and whether it shall be allowable to feed a hen cement in order to bolster the weight of the shells. There should be a series of play-offs here in order to determine the fit and proper hen to compete for the Canadian leadership. The Victoria local of the Crew Clucks Club has offered to put up a gold pin-ribbon for competition in this city.

HEADACHES Make Life Miserable

Headaches are one of the most aggravating troubles one can have, and it is hard to struggle along with a head that aches and pains all the time.

Headaches seem to be habitual with many people; some are seldom, if ever, free from them, suffering continually from the dull throbbings, the intense pains; sometimes in one part, sometimes in another, and then again over the whole head.

There is only one way to get relief from these persistent headaches, and that is, by going direct to the seat of the trouble, for unless the cause is removed, the headaches will still continue to exist.

The fact that Burdock Blood Bitters keep the stomach, liver and bowels toned up is proof enough to show that it will eliminate the cause of the headaches. Mrs. Harold Lanza, Owen Sound, Ont., writes: "My system was run down and my blood out of order. I suffered a great deal from severe pains in my head, which made me feel very miserable. After having tried other remedies I purchased a bottle of Burdock Blood Bitters, and was very glad to notice a decided improvement in my health, so I took another and am glad to say that it has done me an enormous amount of good. I have recommended it to my friends, who were in a similar condition, and they all say it is a wonderful remedy."
