NATIVE OF INDIA TALKS PLAINLY TO YANKEES GUN FIGHTING TAKES PLACE IN SEATTLE; BRITISH SUBMARINE SINKS

Famous Indian Writer Defends British Flag in New York City

Tells Canadian Club that People who Could Not Tolerate That Flag Did Not Know What Liberty Meant

NEW YORK, January 22.—Rustom Rustomje, a former writer of the Oriental Review at Bombay, speaking before the Canadian Club here, at the same meeting which was addressed by Hon. N.W. Rowell, former president of the Canadian Privy Council, said that should there ever be trouble in the Pacific, he ventured to say India would rise to a man in defence of the Australian Commonwealth. They would rise, not for love of the Australians, but through love of the flag which floated over the British dominions, the flag which, he said to the disgrace of the New York authorities, was allowed to be burned in the public streets of the great American metropolis.

The people who could not tolerate that flag did not know what liberty meant, said the famous Indian.

MISS KILLEN STILL FURTHER HONORED BY HER HOST OF FRIENDS

Mrs. James Simpson and Mrs. J. M. Fraser were Hostesses at Shower in St. Andrew's

Miss Beatrice Killen, who is to be married on Monday to Thomas Ross, of Smithers, was the honored guest at still another delightful function last night. The affair was a shower in the St. Andrew's rooms given by Mrs. James Simpson, of Second Avenue, and Mrs. J. M. Fraser, of Alton Avenue.

The party, which numbered about ninety, gathered in the parlors at 8 o'clock and about 9 Miss Killen, herself, arrived. Little Katherine Watson, daughter of Mr. and Mrs. John Watson, of Fifth Avenue, led the prospective bride blindfolded to the table where many handsome gifts were displayed.

Following the presentations a program was rendered. Eddie Griggs and Robert Robertson rendered songs and Algie Hunter gave several humorous recitations. Refreshments were then served, with Miss Margaret Ryan and Roy Gilmour assisting the hostesses. After a dance for which Robert Arthur, Jr., Miss Mabel Adams and Mrs. Fraser provided the music, the happy gathering broke up about 4.30.

CANADIAN SILVER PAYS IN KETCHIKAN

Has to Pay Exchange Rates Following Unusual Influx From Outside.

KETCHIKAN, Jan. 22.—Forced to it by the great influx of Canadian silver from the other side, the Miners and Merchants Bank has started charging exchange on Canadian coins as well as on currency. The rate of discount is 20 per cent.

Ketchikan until now had enjoyed the unusual privilege of handling Canadian silver at par, whereas in all parts of the States the regular rate of exchange has been charged. This privilege has been of late abused to such an extent that the town is flooded with foreign money.

It is well known that some fishermen coming from Canada have brought with them large quantities of the silver in hope of evading the exchange charged on currency. This practice has been increased with the upward trend of the rate of discount.

Many others, however, deliberately shipped silver in to friends from Vancouver and other places, with a view to beating the discount game.

BUYS NEW BOAT FOR FISHING

Livingstone Purchased by Capt. Tony Martinson and Will Operate from Here.

Capt. Tony Martinson has purchased the fishing boat Livingstone and will operate her out of this port the coming season. Last year he fished with the Agnes B., a small craft with a capacity of about 12,000 lbs., and with her made the largest catch per man of any boat on the coast. At the close of the season each of the members of the crew received about \$5,500 as his share of the season's spoils.

The Livingstone is a fine fishing boat. She has a capacity of 40,000 lbs. and will carry five men. She is said to have cost the new owner about \$11,000 and is cheap at that price. She is the boat that went ashore on Digby Island last autumn and which was repaired at the Seal Cove Marine Ways. When she was on the ways it was easy to see that she was in good condition and will be a splendid addition to the local fleet. The Livingstone is 68 feet long by 13 feet beam. Her former owner was Louis Holme, of Tacoma.

COMMERCIAL MAN GETS FOUR MONTHS ON LIQUOR CHARGE

EDMONTON, Jan. 22.—On a second charge of illegally keeping liquor for sale W. E. Gray, who was convicted some months ago, was found guilty by Magistrate Primrose in the city police court and was sentenced to serve four months in jail without the option of paying a fine.

Gray is a traveller and is engaged in the business of selling extracts and in connection with this particular charge was found guilty of aiding and abetting another man in the making of liquor for sale in that he supplied the extracts and the coloring material used in turning out whisky, brandy or other intoxicants.

Get Rid of Him.

A quantity of alcohol was found in his possession together with the extracts and in passing sentence the magistrate declared that he was the kind of a man to be got rid of because of his propensities for putting concoctions purporting to be liquor on the unsuspecting public.

The man who was implicated with Gray in the transaction made an affidavit stating that the liquor was his and shouldered the blame, but in the court denied his sworn statement. He was not given the protection of the court. Magistrate Primrose declaring that under the circumstances he was not entitled to it. RUPERT CLUB ENTERTAINED

Lady Friends of Members Were Guests for Evening—Dancing and Cards.

There was a great time at the Prince Rupert Club last night when the members entertained their lady friends at an "at home" dancing and cards being enjoyed until a late hour.

Dancing took place in the sitting room upstairs and music was provided by Howard White's four-piece orchestra. One interesting feature of the dance was an impromptu moonlight waltz. A fuse blew out and the whole building was in darkness except for the moonlight and the light from the street are lights. The orchestra struck up a waltz tune and all danced for about fifteen or twenty minutes while repairs were being made.

A buffet supper was served in the billiard room and was of a most appetizing character.

The guests all seemed to enjoy the event immensely. The decorations, mostly with bunting, were unusually bright and artistic and the fun was kept up to the end.

Committees in charge were: D. H. Morrison, reception; Capt. Groves, decoration; Geo. Woodland, music; J. G. Steen, refreshments; J. C. McLennan, invitations. President Jas. McEae was on all committees and took an active part in the proceedings.
