SMITHERS
Arthur L. Ramsay, a well known Colleymount farmer, was recently burnt to death as the result of an explosion of a gasoline engine in his cabin. He was a well known boat builder and built the present Francois Lake ferry.

Smithers beat Burns Lake 8 to 3 in a recent hockey match.
There were 135 persons in attendance at the Boy Scouts' dance last week. The sum of \$76.50 was cleared towards the erection of a hall.

During the past month, the Bulkley Valley has enjoyed wonderful weather. The days have been beautiful ones of sunshine with an exhilarating coolness.

Two German machine guns are on their way to Smithers as souvenirs of the war.

DON'T NEGLECT A COLD IN THE HEAD
It May Lead to Many Serious Diseases
Never neglect a cold in the head. It is a trouble so common that we are apt to treat it as of little consequence. But it is only a step from cold to grippe and the possibility of acute trouble in the throat—pleurisy—pneumonia—is always there if it is neglected.

In its early stages a cold yields quickly to proper treatment. Grip-Fix, a combination of the drugs which relieve the system in such cases, gives remarkable results. It relieves a cold in a night and even grippe yields to it in forty-eight hours. Its action keeps the system open to throw off the systemic poisons created by the cold, reduces the feverish conditions and allays the pains in the head and muscles.
Grip-Fix is sold by all druggists at 35c a box. Accept no substitute. (Advt.)

Try a classified advertisement if you want to buy or sell or if you want anything. A lot of business is done that way.

THE TEETH OF THE TIGER

"You Murderer!"
Who? The dead man's wife? Her lover? The doctor? The pretty niece? Or were those strange teeth marks the clue to another crime by Arsene Lupin?
And who of these five was crouching there in the "house of mystery," in frantic fear of that steady automatic?

TORPID LIVER
For over 4 Months
The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons.
When the liver becomes lax, slow or torpid it is not working properly, and does not supply sufficient bile to thoroughly cleanse the system, hence the waste products of the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in and liver troubles follow.
Mithurn's Laxa-Liver Pills quickly remove the secretions, clear away the waste and effete matter by acting directly on the liver, and making the bile pass through the bowels instead of allowing it to get into the blood, and cause so many troubles.
Mrs. Alice Mehl, Napone, Ont., writes:—
"I was very badly run down, and had a torpid liver for four months. I tried several remedies, but got no relief. One day my husband brought me home a vial of Mithurn's Laxa-Liver Pills, and before I had used two boxes, and in a different person today. I can safely recommend Laxa-Liver Pills to any one troubled with liver trouble."
Mithurn's Laxa-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The T. Mithurn Co., Limited, Toronto, Ont.
