FIRE CHIEF REPORTS VICTORIA CONVENTION

Demonstrations and Discussions Proved Very Instructive—Next Year San Francisco.

Fire Chief McDonald submitted to the city council at its meeting last night the report of the Fire Chief's convention at Victoria on Sept. 27 and 28. He told of the various demonstrations in the work of firefighting which he had witnessed by the Victoria department. The work of fire prevention had also been discussed at length and proved most instructive.

The members of the convention had also been entertained at Vancouver. The next convention would be at San Francisco next year.

The chief had been given \$150 to defray his expenses but as the expenses amounted to only \$105 he returned the sum of \$45 to the city.

\$10 PRIZE FOR NEW NAME FOR NEW PRODUCT

We have decided to appeal to the people of Prince Rupert and district to decide what shall be the name given to our product now known as "Eureka Cleaner" made and canned in Prince Rupert. We shall give one prize of \$10.00 for the best name suggested, and accepted by us. Suggestions must be in by October 28, mid-night. Names already trade-marked and used on other articles cannot be considered.

The following copy of the label will give the contestant an idea of what uses "Eureka Cleaner" can be put to:

EUREKA CLEANER

Unexcelled for cleaning painted woodwork, windows, glassware, enamelware, bath tubs, sinks or mirrors.

First rub well with Eureka Cleaner until dirt is removed, then polish with a clean dry cloth.

For Cleaning Grease, Pitch or Paint from Clothing, Rugs, or Carpets. Rub spots with cleaner until removed, then with suds and stiff brush go over garment thoroughly and press while damp. Will also remove ink spots that have not been boiled; also an excellent hand cleaner for machinists, miners and blacksmiths, painters, and all classes of work. Simply rub with cleaner until dirt is removed, then rinse in clean water or wipe off with paper or waste. It will clean anything except steel or leather.

Keep cover on when not in use.

Eureka Manufacturing Co., 229 Second Avenue West, Prince Rupert, B. C.

"Eureka Cleaner" is pure white and is especially adapted for the use of machinists or others engaged in work where ordinary soap is of little value in cleaning the hands.

NEW ELECTRIC BAKERY HERE

Shop to Be Opened in Prince Rupert Some Time This Week.

The new Electric Window Bakery, a branch of the popular Veterans' Electric Bakes, already established and doing big business in the cities of Edmonton, Vancouver and Nanaimo, is to be opened in the Mackintosh Block, Third Avenue, here this week. The establishment of this bakery in Prince Rupert will be an innovation in that all the mixing and baking is done in the window in full view of the public. Even the loaves of bread will be seen baking through the glass doors of the new style electric rotary oven which will be set in the window and operated there. The specialty of this oven is bread-making, although cakes and French pastry will also be made. Only the very highest quality of ingredients will be used and arrangements have been made with an especial view to cleanliness. As all will know, who have passed by lately, extensive alterations and improvements have been made to the premises which are to be occupied.

The company operating this bakery is comprised wholly of returned soldiers who operate and own the shops here as well as in the other cities. J. R. Lindsay is to be the manager of the Prince Rupert shop.

FISH ARRIVALS
