Those left to mourn the late Captain Gillen are his widow and son, Howard, aged two, his mother and three brothers at the family home in Wine Harbor, N.S., two sisters, Molly and Mrs. J. T. Murphy, of Halifax, and another brother, Captain W. H. Gillen, of Vancouver.

CONCRETE ROADS PROVE POPULAR

VICTORIA, July 7.—Advocates of hard-surface pavements have been delighted with the result of the concrete road built by the government along the Island Highway between Craigflower and Parson's Bridges and it is interesting to note that this class of roadway is becoming very popular in the United States where automobile traffic is exceedingly heavy. It is considered good economy to build this class of road, which gives satisfactory service and reduces cost of maintenance to next to nil.

The following table showing the comparative yardage of concrete pavement awarded during the first five months of 1921 and the same period in 1920 is of interest:

	1921	1920
New York	3,142,511	1,056,818
Illinois	799,188	692,353
Michigan	2,685,122	1,128,509
Indiana	1,255,052	1,201,737
Oklahoma	458,975	213,108
California	2,148,484	1,441,919
Wisconsin	2,668,636	1,444,746

FORD PROFFITS ARE IMMENSE

Car Turned Out in July Every Six and Half Seconds.

DETROIT, July 7.—Henry Ford's profits for May were the greatest in history, according to E. G. Pipp, former editor of the Dearborn Independent. Ford's weekly, writing for Pipp's Weekly, profits were placed at \$18,000,000 for May. Profit on each car was placed at \$189.162, materials, an efficiency on the production, a systematizing of the work, a reduction in the cost of July 27 elections of the province part of workmen that enable the Ford company to turn out more cars at less cost than had ever before been done in the history of the company it is claimed.

Despite the average reduction of \$25 in the price of the car it is asserted that June profits exceed May by \$1 to \$1.25 per car on all but sedans. This has been made possible by still greater production and a reduction in price of materials.

In this connection the Ford July schedule called for a car every six and one-half seconds which is nearly 100 an hour or 4,800 in an 8-hour day.

After payment of all bills, notes, etc., the Ford cash balance the first of the month was placed at \$6,113,017.03.

VANDERHOOF

The Dominion Day celebration here under the auspices of the Board of Trade proved a great success. There were horse races, baseball games, children's races, field sports, boxing matches, ladies' events and a big dance in the evening.

Last Thursday evening an enjoyable reception was held in the Vanderhoof Hotel in honor of Mr. and Mrs. R. H. Moore, who were married a few days previous in Prince George. They are to reside in this district.

Mrs. McCreachy, mother of E. G. McCreachy, of Vanderhoof, is here visiting her son and daughter-in-law.

Last night the Prince George pierrot troupe gave a performance here in the Community Hall when some good sketches as well as latest songs and dances were put on. A dance followed.
