WOULD SEND WINNING BAND TO EXPOSITION IN TORONTO IN FALL

This is Object that Northern B.C. Fair Association is Working Towards

Two Indian bands have already signified their intentions of being present at the Fall Fair this year to take part in the competitions and the general celebration.

The fair directorate is endeavoring to arrange to send the prize-winning band at the fair this year to the National Exhibition at Toronto. If this added attraction is offered there will, no doubt, be keen rivalry among the many native bands of the district in the contest.

The Man in the Moon SAYS--

WHAT is the difference between as sport and a red hot sport?

A FEMALE sport is one who will probably never be married.

A MALE sport is one who is likely to be overmuch married.

AND yet we all believe in sport.

SOME very unpleasant, low-down uncouth person says the reason the girls in Prince Rupert wear dresses short is so that people may see their gum boots.

DID you hear of the boy who was rooting around in the dump the other day and came across a Ford? He hiked off home for fear the tax collector would want to charge him the price of a license.

FARMERS say prices are all shot to pieces, but the folks living in town are not half so enthusiastic about it.

JUST when a person reaches the age of discretion he probably forgets himself and goes off and gets married.

NO one has any objection to another person eating onions, but there is a most decidedly decided objection to his coming up close and talking right in your face after the operation.

THE girl when asked if her brother was out of danger replied "no, he has a trained nurse."
