PRINCE GEORGE

A Cafe Chantant was held under the direction of Sydney Bennett, in aid of the Prince George Athletic Association in the Ritz-Keller hall on Friday night. Among the local persons performing were Mrs. Badeck, Mrs. Booth, Miss Rolston, Miss Wilson, Miss Quinn, Miss Stubbs, Miss Stewart, Miss Anderson and Messrs. Ogg, Spouse, Bennett, Tretheway and Fulton.

The Prince George police magistrate is to be asked to explain the cause of so many dismissals that he has made recently in the police court and the matter may be taken up with the attorney-general's department with a view to reorganizing his department. The council claims that the police magistrate is not giving the police force sufficient support while the magistrate says that he himself is not getting sufficient support.

The gasoline boat "Rounder," Captain O. F. Browne, made her first trip to Quesnel from here to Hixon Creek, a distance of 12 miles. It is proposed to have the whole highway completed next year.

George Street and other city streets are being graded by the government grading equipment.

Tenders have been called for the rough grading of the portion of the new highway between Prince George and Quesnel from here to Hixon Creek, a distance of 12 miles. It is proposed to have the whole highway completed next year.

The eclipse of the moon last week was plainly visible here.

To Be Dyspeptic Is to be Miserable

The poor dyspeptic suffers untold agony after every meal, and any one who has dyspepsia knows what joy it would give to eat three square meals a day and not be punished for it after. Nearly everything that enters the weak stomach acts as an irritant, and even the little that is eaten causes such torture and is digested so imperfectly that it does little good.

Before you can eat heartily, and not pick and choose your food, you must put your stomach into such a condition that it will manufacture its own digestive ferments.

For over forty years Burdock Blood Bitters has been toning up and restoring weak stomachs to a normal healthy condition so that the food no longer causes distress, but is thoroughly digested and assimilated, and enables one to partake of all the wholesome food required without fear of any unpleasant after effects.

Mrs. Alice Beckwith, Fesserton, Ont., writes: "I have been a great sufferer from indigestion and dyspepsia for several years. I could not eat anything without almost dying from the pain in the pit of my stomach. Seeing Burdock Blood Bitters highly recommended I tried a bottle, and can gladly say it relieved me. I can eat anything now, and am in perfect health."

B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

VANDERHOOF

Miss Margaret Thompson left on Sunday for Napinka, Manitoba. On Wednesday evening the Egan Hall was the scene of a pretty dancing party given in her honor. The guest of the evening was presented with a club bag and a string of ivory beads.

An inquest held last week into the death of Agatha Peter, a Tsinkut Indian woman, resulted in the following verdict being brought in: "Agatha Peter came to her death through a bullet wound in the head inflicted by some unknown person or persons." The jury comprised George Ogston, J. M. Johnston, R. C. McCorkell, E. C. McGeachy, Robert Richards and Hugh G. Wilson, and Dr. Stone was coroner.

Thomas Carson, the contractor who will build the new school here, arrived last week to start the construction of the building.

The Board of Trade has decided to put on a big celebration in Vanderhoof on Dominion Day.

W. B. Taher, a returned man, recently from Manitoba, died here on Saturday morning from double pneumonia. He leaves a wife and three children in the East.

His Turn

That clerk you all know died and approached the pearly gates. "Give me a seat in the front row," he demanded of St. Peter. "Sorry," said the hoary gate-keeper. "Heaven's all sold out, but I can give you something just as good."

"CHICKEN IN CASE" SHOWN LAST NIGHT

Those who attended the Westholme Theatre last night had a rollicking time watching the hilarious comedy, "The Chicken in the Case." The same comedy will be shown tonight.

The story is straight comedy verging into farce, and the hero is a young man who tries to delude his aunt, who is also his financial guardian, into believing that he has married and settled down whereas he is merely single and trying to get enough money to settle up. To carry off the deception he enlists the aid of his pal, Percy Jones, from whom he persuades the "loan" of his newly acquired wife. What happens from then on is better described in action than in words, and the action, and there is lots of it, will be found in this most hilarious screen comedy.

PRESENTATION TO MR. AND MRS. TANNER WHO GO TO DUNCAN

Mr. and Mrs. W. C. Tanner, the former of whom is leaving the employ of Kelly Douglas Co. here and is going to take over a general store at Duncan in partnership with Walter Harper, were last night presented with a beautiful cut glass water jug by some of their friends.

The presentation took place at the home of Mr. and Mrs. Harry Atkins, Fourth Ave., where a number of Mr. and Mrs. Tanner's friends had gathered. Mr. Atkins officiated and Mr. Tanner made a suitable reply, and the evening was spent pleasantly chiefly in dancing.

Mr. and Mrs. Tanner expect to get away on Tuesday next, sailing south on the Princess Alice.
