NEW HOSPITAL MATRON NAMED

Position Given to Miss Charlotte
Black, Formerly of Vancouver—Other Resignations.

Miss Charlotte Black, formerly of Vancouver, but now of Edmonton, was appointed matron of the Prince Rupert General Hospital at the regular monthly meeting of the board held last evening. Miss Black will come to Prince Rupert highly recommended by hospital authorities of the south. She had previously been offered the position here but had refused to accept it, but on being asked to reconsider her decision, a second letter was received stating that she would be willing to come here to take charge on August 1, at a salary of \$125 per month. On motion of D. C. McRae, seconded by Mrs. D. W. Morrissey, she was appointed. Miss Black has just completed a post graduate course at Montreal. There were 22 other applications for the position here.

The resignations of Miss M. Hastie, operating room nurse, and Miss M. Gibson were received and accepted and the matter of appointing successors was left in the hands of the House Committee.

Miss P. V. Wall, the present night supervisor, has offered to take over the position of operating room nurse if the salary is made commensurate with that which she is receiving in her present capacity.

LABORATORY WORK WELL UNDER WAY

Matter Taken Up at Meeting of
Hospital Board Last Evening.

Dr. J. A. West announced at the meeting of the hospital board last night that work on the installation of the laboratory at the institution was now well under way and today the plumbing would commence.

The matter of securing a technician was referred to by the board and a letter from Dr. R. H. Mullen, professor of bacteriology at the University of B.C. was read. Dr. Mullen was of the opinion that a suitable technician could be obtained for the place at a salary of \$125 per month. The letter was filed and no further action on the matter taken.

ATTRACTIVE BILL ON AT WESTHOLME THEATRE TONIGHT

Shirley Mason, in "Love's Harvest" and the Dempsey-Carpentier Pictures.

"Love's Harvest," starring Miss Shirley Mason, is the attraction which is being offered for the week-end bill at Westholme Theatre. There will be a number of charming costumes worn by this popular actress of the movies in the play tonight. It is interesting to know how Miss Mason selects her costumes. She has a number of little models—manikins which have to try on all her dresses before she wears them herself. That is to say, they try on model dresses—tiny garments that Miss Mason makes herself out of paper and scraps of silk. Every dress that she wears in a picture is chosen after a number of designs have been tried on the dolls. Once a new dress is put on a doll it is never taken off. Thus Miss Mason can set them all out in rows for comparison. This is the way the costumes in "Love's Harvest," as well as all her other plays, are chosen.

Besides this pretty feature film, the Jack Dempsey vs. Bill Brennan heavyweight bout pictures will be shown. This picture consists of five reels and will offer something that boxing fans in Prince Rupert have never before seen at such length. The knockout of Brennan by Dempsey is clearly shown and pictures taken from three cameras show the whole fight in detail.

LADIES OF SCOTTISH SOCIETY ENTERTAINED

Whist Drive and Dance Last
Night Was Well Attended
and Enjoyable.

The whist drive and dance given by the Ladies' Auxiliary of St. Andrew's Society last night proved quite successful and enjoyable affair. At the whist drive there were 25 tables and about 150 persons attended the dance. Between the time of cards and dancing delightful refreshments were served.

The winners at whist were Miss E. Davies and Mr. Swanson, the consolation awards going to Mrs. Howard Steen and R. Arthur, Sr., W. M. Brown was master of ceremonies at the dance and Miss Mary Reid was on the door. Arthur's Orchestra provided the music.

DECIDED TO SHINGLE AND PAINT HOSPITAL

Board Last Night Adopted Re-
port House Committee—Not
to Exceed \$3,000.

The general hospital is to be shingled and painted this summer at a cost not to exceed \$3,000. This decision was reached at the meeting of the hospital board last night when a recommendation from the house committee to that effect was adopted. The directors were unanimously in favor of going ahead with the work realizing the need. When it has been done it is expected that the building will be much warmer and that the rain will not penetrate through the walls as it has done in the past. It will also lend much to the appearance of the building. The work is to be done by contract and tenders will shortly be called for.
