FOOTBALL GAME RESULTED EVEN

Sons of England and Sons of Canada Staged Good Exhibition Last Night.

The Senior Football League game last night between the Sons of England and the Sons of Canada resulted in a 4 to 4 draw. In spite of the inclement weather there was a good crowd of spectators and they witnessed a game which was full of incident. The Sons of Canada were fortunate to share the points, as their opponents formed a better balanced team and did the more effective work throughout.

The Sons of England started playing down grade commencing with only nine men but it was not long before the arrival of Kelsey and Judge put them at full strength. Play was fairly even to begin with, good play on the part of Farquhar and Tinker being matched with fine combination of the Sons of Canada inside forwards. The Canadians scored the first goal when a hard drive from Dobbie cannoned off Wearmouth's head. Very quickly, the latter player redeemed himself by scoring a point which Corkle should have saved. At the other end, Dobbie narrowly headed over from a corner while B. Fanthorpe gave Corkle a hard one to stop from foul. Canada's second goal came from an oblique shot by Dobbie which gave Easson no chance. Almost immediately after, Percy Tinker equalized after a dashing effort on his own. After a prolonged attack on Easson's goal, Swan, with a neat header, again put the Sons of Canada in the lead. To give the spectators full value, Eddie Craggs scored from a foul, the ball glancing off Harry Menzies' head so at half time, the score was 3 all.

Second Half.

With the hill in their favor, it looked like odds for the Sons of Canada but on play it was largely the other way. The English halves had the whip hand over their rivals and Tinker's dashes and well timed passes to his outside men always looked dangerous. Although outplayed, the Maple Leafs once more took the lead when Clark scored after some blundering by the English defence. Undaunted the Rose kept up the attack and receiving the ball from a corner, Bert Wearmouth scored from a long drive. This ended the scoring of the game.

For the Sons of England, Percy Tinker played a sterling game, the best he has played this season. B. Fanthorpe played well but Farquhar spoiled good work by erratic finishes. The English halves were distinctly better than those of the Canadians, the veteran, Kelsey, being as good as any. Wearmouth was practically the soul of the English team.

For the Sons of Canada, the inside forwards shaped best, Dobbie being the brightest star. Harry Menzies played a strong game at back but Corkle was rather unsafe in goal.

The Line-Ups.

Sons of Canada—Corkle; Anderson and H. Menzies; Smith, Shakespear and J. Mitchell; Robinson, Swan, Dobie, Clark and Lane.
 Sons of England—Easson; Darton and Wearmouth; Kelsey, H. B. Fanthorpe and Craggs; B. Fanthorpe, Judge, Tinker, Lambe and Farquhar.
 George S. Russell was the referee and E. R. Tabrum and A. Clapperton linesmen.

SASKATOON, June 9.—The Scottish All Star soccer team completely outclassed Saskatoon in a match here yesterday afternoon. The score was 6 to nil.

EMIL Meusel, of Philadelphia, again leads the National League in the number of home runs scored and has brought his total to ten, one ahead of George Kelly, of the New York Giants, who it was predicted at the opening of the season, would run Babe Ruth close for the high record number. Now, Bambino is away ahead in the big league record with sixteen round trip hits to his credit. There is little doubt that he will again cop the record for the season.

Georges Carpentier, champion heavyweight of Europe, is well aware of the fact that he will enter the ring on July 2 against Jack Dempsey, the world's champion; several pounds lighter than his opponent. However, he does not worry for he demonstrated to his own satisfaction that he can drop a heavy man with ease. He has shown this in his training work at the Manhasset camp.

The noon hour dinner bell no longer rings for Jack Dempsey at his training quarters in Atlantic City. The world's heavyweight champion was yesterday placed on a restricted diet and his eating has been reduced to two meals a day. His first meal is breakfast and the second is a late dinner. How long the order will remain in effect depends upon the speed and manner in which he takes off the weight he and his trainers are now doing their best to reduce.

There seems to be quite a good deal of favor for Carpentier among boxing fans of this city. Some of these boys, who were overseas, have seen the French champion in action and say that he is, indeed, a marvel of speed. One describes of the circumstances under which he saw the "wonder man." He had just witnessed a tournament in which the Canadian Army lightweight champion had been engaged. He said the Canadian fought like a cow in comparison to Carpentier whom he saw boxing a few days later. This is an absolute indication of great speed which is not developed so much in the heavyweight class as it is among the lightweights. A second rate lightweight generally shows more speed than a champion heavy.

Dominion Cup tie dates are as follows:—S.O.E. vs. G.W.V.A., Russell referee, June 14; Callies vs. S.O.C., Mercer referee, June 17. The final will take place on July 1, with Mercer handling the game.

BABE RUTH AGAIN BREAKS THE LIMIT

NEW YORK, June 9.—Babe Ruth yesterday served six hours, a technical jail term of one day, for speeding and was released. At 4 o'clock in the afternoon, he again broke the speed limit to the ball grounds in time to pitch in the sixth inning of the game with Cleveland. He took the magistrate and a policeman with him a mad rush.

OCEAN FALLS WANTS VISIT RUPERT TEAM

Send Invitation to City for Local Baseball Nine to Play There.

J. J. Raleigh, traveling freight agent for the C.N.R., arrived yesterday from Ocean Falls and brings word that the baseball enthusiasts at the paper town are anxious to engage in an inter-town game with Prince Rupert at an early date. The time suggested now is July 2 and they propose to guarantee the expenses of the Prince Rupert nine if the game can be arranged and the team can be sent down. They are now busy on the building of a new park at Ocean Falls and this would be ready by the time proposed for the game.

As the excursion to Anyox was abandoned for July 1, on account of the local celebration it is doubtful if the Rupert boys would be able to go south for the date mentioned by Ocean Falls as there is no steamer sailing that would allow for the team being here on Dominion Day and at Ocean Falls the day following. There is, however, a possibility that one of the separate City League teams might be able to make the trip for the day proposed. In any event, the idea of a game at a later date with Ocean Falls would, likely, be very favorably entertained by the local association and arrangements to that effect might be made.

Leaving Prince Rupert on a Thursday night on the Prince Rupert, the local team would reach Ocean Falls on Friday afternoon and could play there on Saturday, returning to the city on the Union steamer which calls at the paper town on Saturday evening and reaches here on Sunday night. There would be but two days lost on the excursion.
