TELKWA

Tom Jefferson and wife arrived back on Wednesday last, both looking "bigger and better than ever." If the climate down south does that for them it is a fair guess that some more of us are going down there next winter.

We are glad to welcome back Bill Carr. More especially in his new job do we give him the "glad hand," for Bill has made his presence known in this district by the good progress since he became the boss up here.

It looks as if the days of the Ford flivver is past in Telkwa. Jack McNeil is sporting a "Baby Grand, Thorp & Hoops a Chevrolet, but Roy Wakefield, Brad Hoops, Wheeler & Moore have old stand-by "Lizzies." From all appearances our friend Luke is going to have a busy time.

Could any one tell us why Mr. Shenton, the Mining Engineer, is in town?

All the old timers are glad to see another old timer back in the person of Silver Tip Kelly.

And don't forget that Carl Wakefield is back again on his old "Lumping ground."

MINERAL ACT.

CERTIFICATE OF IMPROVEMENTS.

NOTICE

TAKE NOTICE that The Cass Mining Company, Limited, (Non-Personal Liability) of Vancouver, B. Those Nasty Little Pimples That come on the Face Are Caused by Bad Blood

Many an otherwise beautiful and attractive face is sadly marred by the unsightly pimples and various other skin troubles, caused wholly by bad blood.

Many a cheek and brow cast in the mould of beauty have been sadly defaced, their attractiveness lost, and the possessor of the "pimply face" rendered unhappy for years.

Their presence is a source of embarrassment to those afflicted as well as pain and regret to their friends.

There is an effective remedy for these facial defects and that is Burdock Blood Bitters, the old reliable medicine that has been on the market for over 40 years.

It drives out all the impurities from the blood, and leaves the complexion clear and healthy.

Mrs. James Williams, Waterford, Ont., writes: "My face was covered with pimples for nearly a year. I used different kinds of remedies to get rid of them and finally thought there was no relief. A friend dropped in one day and told me I should try Burdock Blood Bitters. I did so and used three bottles, and found the pimples were all disappearing from my face, and now I have a clear complexion again."

B. B. B. is manufactured only by the T. Mumford Co., Limited, Toronto, Ont. all the way from London, Eng.

Mrs. Heston-Winton in honor of Mrs. Jefferson had an afternoon tea to which all Telkwa came.

Harry Miller, the new Fire Warden, has moved into the Sprout's house and Miss Miller is keeping house for him.

J. McNeil sold three valuable leavers to parties from the Nans River district.

Think of all the prominent firms whose products you see in the stores and ten chances to one every firm will be a daily newspaper advertiser. They know it pays.

MUST CONNECT WITH CITY SEWER LINES A letter from Dybhavn & Hanson stating that the order of the city that a house on Fifth Ave. East be made to connect with the city sewer would not be practicable in that the cost of sewer connection would be more than the value of the house, was filed last night by the council. A report from the city solicitor pointed out that the city had every right to compel the house to be joined up to the sewer if it was inhabited.
