## TAKE MEDICINE IN CAPSULE FORM

Gives Quicker Action—The Ideal Method for Home Treatment.

Why medicines in capsule form are best was recently explained as follows: "The object of taking medicine is to get quick results and also to make the taking as easy as possible. The capsule form does this. The palate does not revolt at the gelatine coating no matter how repellent to the taste are the drugs contained. The capsule also goes down the throat without inconvenience."

A striking illustration of the effectiveness of capsule form medicine is given by Grip-Fix, a remedy containing just those drugs usually prescribed by physicians for colds or grippe. In its capsule form Grip-Fix provides a reliable home treatment for colds. Now that colds are prevalent, get a box of Grip-Fix from your druggist. Sold at 35c a box. (Adv.)

## FERRY PLANNED FROM ENGLAND TO SWEDEN

Both Governments Concerned to Aid Scheme for Trade Promotion

LONDON, Jan. 27.—A plan for linking up Sweden with England by means of a train ferry to cost £10,000,000 is being considered by business men of the two nations.

The scheme aims at the establishment of a daily service by at least six 13,000-ton ships of 18 knots speed, each capable of carrying 50 railroad cars. As the gauges of the British and Swedish railroads are the same, rapidity of transportation would be assured.

The Swedish government is understood to be willing to guarantee a 10 per cent return over a given number of years, if Britain will guarantee the capital necessary for the initial outlay.

The route suggested runs from Hull to Gothenburg and there is also a suggestion of an extension across the Baltic, so as to provide direct communication between Hull and Petrograd.

## A LESSON THE GOVERNMENT PAID FOR.

Before 1914, Bond Brokers and Bankers were indifferent advertisers. Many who advertised regarded their expenditures as "sop," and thought they were doing publishers a favor.

Then came the Call for War Loans. On the advice of this Association, yet contrary to some Brokers' and Bankers' views, the advertising of these loans was made humanly interesting.

The results you are aware of.

But—here is the real point.

Nearly every Bond House and Bank in Canada is, today, aggressively advertising, and using all the interest and ingenuity at their command to attract business. They observed the power of newspaper advertising, when properly used, and have profited by the lesson.

If you have ever thought you would like to advertise if you could get proper advice on how to go about it, write to this Association. We will give you the benefit of our experience in starting you on the road to successful publicity

Issued by the Canadian Daily Newspapers Association, Toronto.

The same thing is true of some manufacturers, who, noting the results of the Imperial Munitions Board newspaper advertising, have commenced to use the same force to introduce post-war products.

The Government paid for this lesson.

Have you considered profiting by it?

Advertising is not a matter of guesswork. It requires skill and knowledge and experience. It is not something to be lightly undertaken, but it can be undertaken with assurance of success if it is done properly.

Issued by the Canadian Daily Newspapers Association, Toronto.

## Had an Annoying Hacking Cough Got No Rest at Night

Hacking coughs are very wearing on the system. The constant coughing disturbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition, that unless you get immediate relief the cough may become settled and serious lung trouble ensue.

There is no better remedy than Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, combining as it does the lung-healing virtues of the pine tree which with it is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

Mrs. E. J. Ross, Penhold, Alta., writes:—About three years ago I caught a very bad cold, accompanied with a sore throat and hoarseness. I was so hoarse you could not hear me speak. I could get no rest at night with the terrible annoying hacking cough. I tried several remedies, but they did me no good. I finally saw Dr. Wood's Norway Pine Syrup advertised so I got a bottle. It at once gave me relief, and after using four of them my cough had all gone. Now I always keep it in the house.

"Dr. Wood's" is put up in a yellow wrapper; three-pine-firres the trade mark, price 25c. and 50c. a bottle. Manufactured solely by The T. Milburn Co., Toronto, Ont. Adv.
