REDUCTION MADE IN LUMBER PRICES

Drop in Price of Logs Responsible; Only Domestic Market Affected

Retail lumber prices in connection with domestic trade only have been reduced according to an agreement reached by the Victoria Lumber Manufacturers' Association last night. "Though operating on a very small margin even after a reduction in the price of logs, we are determined to do all in our power to encourage local building," announces A. Gonnason, president of the association.

The cut in price amounts to about 20 per cent, on rough lumber and about 18 per cent, on clear, and is in now in effect. The former price of rough was \$27.50 per thousand and the new price \$22.50. No. 1 grade clears sold formerly at \$80 a thousand and the new price is \$65.

The reduction follows the recent announcement of a reduction in the price of logs, but even with the present reduced price of logs the larger mills contend that they are still unable to operate for foreign markets and the East and 75 per cent, of these mills are still closed down. The reduction in logs amounts to about \$5 per thousand and the new rates run from \$20 to \$30.

In a statement, Mr. Gonnason said: "I do not expect that there will be any marked improvement in the building situation for a month or so at least until such time as some of the other commodities that enter into the situation drop in price, such as plaster, plumbing and electrical installation.

"People are too apt to think that lumber prices are holding up building. They base their contention, no doubt, on the fact that a larger volume of lumber than any other material is required in building a house. This, however, is a case where outward appearances are deceptive. If the prices of all commodities used in house building were analyzed, it would be found that lumber is the most reasonably priced of any, and that the argument about lumber being responsible for inactivity is simply based on ignorance."

SHIPPING LIQUOR INTO SASKATCHEWAN

SASKATOON, Jan. 26.—Liquor valued at millions of dollars is being shipped into Saskatchewan at the present time by wholesale liquor concerns, according to an announcement made by the Saskatchewan Liquor Commission. There is enough whiskey being shipped into the province at the present time to take care of all the export requirements of Canada for at least two years, it is asserted. Members of the commission anticipate that while this liquor remains in the province it will be a menace to the putting into effect of the prohibition measures which become effective February 1. There will always be a certain amount of leakage within the province and will be until this vast quantity has been finally disposed of.

To Be Troubled With Constipation

The Cause of Many Ills

If you do not feel well and go to your family physician, one of the first things he will do is ask you to hold out your tongue. The reason for this is that the condition of the tongue shows the condition of the stomach and bowels.

If you allow your bowels to become constipated you will have bilious attacks, sick headaches, coated tongue, foul breath, heartburn, water brash, etc., and these troublesome ills, which cause so much annoyance and misery.

Keep your bowels moving regularly and you won't be sick.

In Milburn's Laxa-Liver Pills you will find just the remedy you require for this purpose. They are purely vegetable and do not grip, weaken or sicken.

Mr. Jas. S. Harris, Box 934, Halifax, N. S., writes:—"For two years I suffered with constipation. I could not get anything to cure me, and hardly anything would give me even temporary relief. One day my uncle induced me to try Milburn's Laxa-Liver Pills, and even brought me a box. I tried them without much faith, but I soon found they were doing me good, and after using the second box I was relieved of my trouble."

Milburn's Laxa-Liver Pills are 25¢ a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
