Pyorrhea and the Remedy

Pyorrhea, like anything else, cannot be overcome without the removal of the cause. Mouth washes, tooth brushes, etc., are all of no avail unless the cause be removed. Those troubled by this disease should see their dentist and have all deposits removed; ill-fitting fillings rectified and the mouth put into a sweet and wholesome condition by scientific methods. This will (if the disease not progressed too far) eliminate all vestige of pyorrhea.

Was Suffering from INDIGESTION No Fear of Pains Now

Indigestion is one of the worst forms of stomach trouble, and many people suffer terribly after every meal they eat. The rising and souring of the food, pains in the stomach, heartburn, water brash, belching of wind, vomiting shortly after eating, etc., are some of the symptoms.

There is no need for any person to be troubled with indigestion, dyspepsia or any other stomach trouble if they would only take Burdock Blood Bitters, which contains a combination of nature's roots, herbs, salts and berries; a combination that cannot help but put the stomach right.

Mr. H. H. Collins, Norton, N.B., writes: "I was with the overseas forces for four years and two months, and in October, 1916, I was unfortunate enough to be wounded and taken prisoner. I was a prisoner for 2½ years, and the food they gave us was not good, at times, and after a few months I found I was suffering from indigestion. When I came home in July, 1919, I was nearly a wreck. I was told to use Burdock Blood Bitters. I did so and found great relief, and can now eat without fear of pains and sickness. I would recommend B. B. B. to all who suffer from indigestion."

Burdock Blood Bitters has been on the market for over forty years, and during that time has made a reputation second to none for relieving all stomach troubles. Manufactured only by The T. M. M. Co., Limited, Toronto, Ont.

"THE FALSE ROAD" AT EMPRESS THEATRE

The latest picture starring Enid Bennett, "The False Road," will be the photoplay attraction at the Empress Theatre tonight.

Miss Bennett has the role of Betty Palmer, member of a gang of New York crooks. Her sweet heart, Roger Moran, upon completing a two-year term at Sing Sing, surprises her by announcing that he is determined to go straight hereafter.

It is a good story of crooks, with excitement and thrills.

Financial Strength

THE principles upon which a Bank is founded, the number of years it has been in operation, and the policy followed during these years—these features, combined with its present standing, form the criterion of the strength of a Bank.

The Bank of Montreal began business in the year 1817, with a modest capital of \$1,250,000, and for over a century it has followed a conservative—aggressive policy until to-day its capital and reserve fund total \$40,000,000 and its total assets are in excess of \$560,000,000.
