The Pacific Coast Hockey Association schedule will open on Monday night in Vancouver when Seattle will play Vancouver. The schedule calls for twelve home games for each of the three clubs, Vancouver, Victoria and Seattle, the final game being scheduled for February 24, following which the playoff will take place. This season only 20 minutes overtime for draw games will be allowed and if the tie is not broken at the end of that time the game will be officially declared a draw and each team will be credited with half a win in the standing. The National League has a similar rule so it is now effective in all hockey leagues.

The National Hockey Association race will commence on December 17 and will continue until March 15. There will be a schedule of 48 games and a playoff between the two teams which finish first and second. This playoff is to be decided by home-and-home series in which the majority of goals will count. Newey Labonde will captain the Canadians; Reg Noble will lead Toronto, and Eddie Gerard will command Ottawas.

The Western Canada League has drawn up its schedule with

the season opening on December 12 and two Edmonton, one Calgary and one Saskatoon team comprising the circuit. The play-off rule which is in effect in the Pacific Coast and National Leagues will prevail and the last game of the play-off is scheduled for March 3.

Arrangements are being made to have the champions of the Pacific Coast, Western Canada and National Hockey Associations take part in the world's series finals in the spring. The first game between the Pacific Coast and the Western Canada league is suggested for March 7 on the coast, the second on March 10 on the prairies. The total goals of the two games will determine the victory and the winners of the little world series will then travel East to play the champions of the National League with the first game set for March 15.

The Prince Rupert Wanderers' Club billiard players will meet tonight in the second tournament of the series for the McMordey Cup. They will line up as follows: R. H. Shockley (Wanderers), vs. G. A. Woodland (Prince Rupert); G. P. Tinker vs. Col. S. P. McMordey; Fred Stephens vs. J. W. Scott; W. J. Nelson vs. J. H. McMullin; George Hill vs. A. T. Broderick; T. B. Hooper vs. E. A. Wakefield. The score for the first tournament was: Prince Rupert, 1174; Wanderers, 900.

E. A. Wakefield, United States Consul here, is on the storm-bound Princess Mary returning from Juneau, Alaska, where he went on departmental business. D. G. Scott, of Vancouver who have been relieving him here will go south on the same steamer on which Mr. Wakefield returned.
