Sport Chat

The arrangements for this year's sport at Prince George include several games with outside points, including Jasper, Quesnel and Vanderhoof. Baseball, football and lacrosse games will be played with these towns. The first big time will on Victoria day when there will be field sports and a baseball game with Vanderhoof. On June 3 the first lacrosse game will be played with Quesnel. On July 1 there will be a specially big card of events and the railway company is being asked to run a special train.

Princess George fans are talking a good deal of a trip to Prince Rupert some time this year and already the Great War Veterans' Association has offered to send a team down here to meet the local Vets' footballers. As the local athletic organizations seem to be somewhat averse in their attitude towards visiting teams here this season on account of the heavy expense involved, it is not known what visitors Prince Rupert will have this year.

SWIMMERS WERE AT SALT LAKES

Steve King Made Initial Plunge of Season Yesterday Afternoon.

Steve King was the first swimmer to plunge into the Salt Lake this season. The beautiful warm weather yesterday afternoon made the water very tempting and besides this old and enthusiastic member of the club there were about a dozen others in yesterday. From this on the usual crowds will assemble on Sundays at the popular swimming place.

The Swimming Club has now completed the work of building the landing float and is now awaiting a high tide to put in the gang plank. There were a number of volunteers across yesterday afternoon and a good deal of work was done on clearing out the lake especially at this end, which is to be put in better shape for the youngsters.

ELKS' BASEBALLERS FIRST APPEARANCE

Were Defeated by Sons of Canada By Score of 9 to 8 in Sunday Morning Game.

The Elks' city league baseball team made its first appearance on the diamond yesterday morning and was defeated by the sons of Canada by a score of 9 to 8. The game, as the score indicates, was a closely contested one, neither team at any time being more than one or two runs ahead. There were a number of errors, these also being equally divided. A good crowd was in attendance and a collection of \$25 was taken.

The pitchers were Valpey and Clementson for the Elks and Smiler and Ledstrom for the Sons of Canada. Clark and Lane were the respective catchers. E. A. Donohoe made an efficient umpire.

The Elks and Red Sox will meet on Saturday afternoon.

Many people read newspapers as much for their advertising columns as they do for news.
