CARPENTIER WAS REFEREE

When Jack Johnson Met Frank Moran in Paris. Sometime after he defeated Jeffries, Jack Johnson was indicted on charges of violating the Mann Act...

There was not a single knock-down nor anything that smacked of a finishing blow. Johnson's superior skill and his incessant upcutting kept Moran in subjection. Moran's attack lacked the power to dispose of his adversary.

The referee of the fight was Georges Carpentier, who now aspires to become heavyweight champion by whipping Dempsey.

The Sons of Canada just rise up and object when anybody says the Elks were unlucky last Monday when they failed to win that baseball game.

Owing to the Callies - Sons of Canada Dominion Cup football game set for tomorrow night, the City League baseball fixture between the Red Sox and Callies will take place on Monday night.

A new page is being written in the history of British grass court tennis with William T. Tilden, of Philadelphia, winner of the world's turf championship last year, defending his title in the tournament which is on at Wimbledon now.

The Wimbledon tournament is important on its bearing on Davis Cup play which is to follow this summer.

SCOTS DEFEAT ISLAND TEAM

Won at Victoria Yesterday Afternoon by a Score of 4 to 1.

VICTORIA, June 23.—The Scottish all star professional football team defeated the Lower Vancouver Island select team here yesterday afternoon by a score of 4 to 1.

The visitors were accorded a splendid welcome in Victoria. Among various entertainments for them here was a concert and dance on Tuesday night which was largely attended.

The Scots have returned to Vancouver where tonight they will play another game with an all star B.C. team by special arrangement.

FRENCHMAN IS WORKING HARD

Outsiders Do Not See Much But He is Going Pace Just the Same.

MANHASSETT, June 23.—Georges Carpentier, the French contender for the heavyweight title, is hitting up his real fighting ability behind a series of listless workouts before the public.

BERRIES AND CREAM IN FRANCE MEAN CARPENTIER VICTORY

PARIS, June 23.—"Fraises avec creme a la Dempsey," is a new dish among the desserts on Maxim's menu today.

Head waiter Felix explained "that is strawberries with whipped cream because Carpentier is going to beat the American champion next month."

A half dozen Paris newspapers are running quotations from well known persons daily giving their opinion as to the outcome. Every Frenchman is sure that Carpentier will win and every American is positive that Dempsey will come out on top victor.

The British generally pick Carpentier because they figure if he is good enough to defeat the English champion Beckett he is good enough to beat anybody.

Opinion is unanimous that the fight will be short—five or six rounds at the most, although there is the usual suspicion that the motion picture concessionaries will be able to frame a longer fight as the films will be fabulously valuable throughout the world.

The Sons of Canada will field the following team in the Dominion Day cup tie replay with the Callies tomorrow night: Sid Thompson; H. Menzies and V. Menzies; W. Anderson, J. Shakespeare and J. Mitchell; L. Lane, Clark, Dobbie, Swan and Robinson.
