SHE LOVES AND LIES

Norma Talmadge Tonight at the Westholme Theatre in Triple Role.

Norma Talmadge is known to be one of the most versatile of all feminine screen stars, but her remarkable talents in this direction have never been shown to such good advantage as in her latest production "She Loves and Lies" which will be seen at the Westholme tonight.

In this adaptation of Wilkie Collins' story of the same name Miss Talmadge portrays three separate and distinct characters, each being of a different social caste, age and physical appearance. Not only does the star make her portrayals realistic but she makes them convincing.

GRANBY MANAGER IN RUPERT TODAY

Accompanied by Mrs. Munro and Two Little Daughters on Way to Anxox

H. S. Munro, general manager of the Granby Consolidated Mining, Smelting and Power Co., accompanied by Mrs. Munro and two daughters, is in the city today on the Prince George en route to Anxox, where Mr. Munro will now spend a month. Mr. Munro states that operations are being carried on as usual at Anxox by the company despite the downward trend of the copper market.

Within a month's time the company's business in the Boundary country will be entirely shut down, and at Grand Forks there will be but two or three watchmen left in the employ of the company taking care of what little machinery and equipment remains at the once active smelter. Mr. Munro states that there is little likelihood of operations ever again being resumed there and all the removable stock has been taken away.
