

TERRACE is a thrifty, growing town. The chances are good that oil will be struck in the immediate vicinity, as seepages have been found, much ground has been staked and a drilling outfit is on its way there. We offer for sale eighty acres of land, 1 1/2 miles from the town on a good road at \$12.50 per acre. This is your opportunity to participate in the enhanced real estate values that will surely follow the growth of Terrace.
