Pyorrhea and the Remedy

Pyorrhea, like anything else, cannot be overcome without the removal of the cause. Mouth washes, tooth brushes, etc., are all of no avail unless the cause be removed. Those troubled by this disease should see their dentist and have all deposits removed; ill-fitting fillings extracted and the mouth put into a sweet and wholesome condition by scientific methods. This will (if the disease is not progressed too far) eliminate all vestige of pyorrhea.

After the "Flu"
Four Children Had Whooping Cough

Whooping Cough, although specially a disease of childhood is by no means confined to that period, but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and is more common in female than male children.

Whooping Cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and cough.

Dr. Wood's Norway Pine Syrup is highly recommended by mothers everywhere for the relief of this trouble as it helps to clear the clogged-up air passages of the mucous and phlegm that has collected, and in this way brings on the "whoop" which brings the so-much-sought-for relief and heals and soothes the lungs.

Mrs. J. M. House, Imperial, Sask., writes:—"After the flu, last fall, my four children took whooping cough and one of them developed bronchitis. After using two or three bottles of Dr. Wood's Norway Pine Syrup they were greatly relieved of their nasty coughs. It is an especially good remedy for children, and is so nice they take it readily, and ask for more."

Dr. Wood's Norway Pine Syrup is 25c and 60c a bottle at all dealers. Put up only by The T. Milburn Co., Limited, Toronto, Ont.

PRESENTATION LAST NIGHT TO T. HOOPER

Appreciation Shown of Generous Hospitality of Boat Owner.

Thomas Hooper was last night the recipient of a fine gold watch and chain and a pair of gold cuff links from the members of the Inlander mess on the occasion of his leaving the city to reside in Vancouver.

The presentation was made on behalf of the members by H. F. Pullen who spoke of the good fellowship the members had enjoyed with the one who was leaving and of the hospitable way in which Tommy had always used his boats in taking them for picnics or elsewhere.

Mr. Hooper in replying thanked the members of the mess for their kindness and said he regretted exceedingly having to leave the city. He did not know what his future would be or whether he would be returning here in the future.

Mr. Hooper was intending to have gone south last week but he made a trip to Stewart instead.

A number of friends surprised Mr. and Mrs. H. C. Peyton last evening in honor of Mrs. Peyton's birthday. An enjoyable evening was spent in games and at midnight a delightful luncheon was served, after which taxis were called for the departing friends.

Last night's hospital board meeting was a brief session, there being little business on the agenda paper. There were present President D. G. Stewart, Col. S. P. McMorde, J. C. McLennan, P. I. Palmer, E. H. Mortimer, W. E. Collison, Major G. E. Gibson, Dr. J. A. West and Dr. H. E. Tremayne.

There are still some reserved seats left for the St. Patrick's Day concert this evening. Those holding tickets should exchange them without delay at Orme's Drug Store for a reserved seat. Contrary to a mistaken impression that seems to exist, there is no extra charge for the privilege of reserving a seat for this entertainment. Do not wait for a rush seat, as these are limited.

This is to avoid interrupting the audience.

William Donald, who took part in the work of the construction of the local dry dock, returned to the city yesterday to take the post of foreman carpenter for Wallace's here.
