SPEND XMAS AT CALCUTTA

Prince of Wales Will Attend Big Race Meet and Other Festivities.

LONDON, Nov. 28.—(By Canadian Press)—Christmas week is always the big week of the year in Calcutta, with the race for the Viceroy's Cup and other festivities and the climate is at its best then. The Prince will arrive at Calcutta on the morning of Christmas eve, and will remain there until the afternoon of December 30. The outstanding ceremonial there will be the opening of His Royal Highness of the Victoria Memorial Hall—some twenty years after its conception by Lord Curzon. One cause of the delay has been the development of the Mskrana quarries in order that only Indian marble might be used in the construction of the memorial, and another cause has been the preoccupation of the war. Calcutta has long been known as the City of Palaces, but it has no building which can compare in magnificence with this wonderful memorial to the great grandmother of the Prince of Wales, and which is to be, in its contents, a mirror of Indian history under British rule.

On to Burma.
The Prince is in the Prince of Wales, and he will arrive at Rangoon on board a Royal Indian Marine steamer on January 2 for a eight day's stay. New Year's Day being Sunday he will be in Rangoon in time for the Proclamation Parade in celebration of Queen Victoria's Proclamation as Empress of India on January 1, 1875. This will be the first occasion of which any member of the Royal House of the King-Emperor's representative, the Viceroy, has been in Burma for the parade.
In no part of India is the Prince of Wales assured of a more enthusiastic welcome than in the south, where the Madras Legislature has made arrangements for a fitting reception for him.

him. In Lord Willingdon, the heir to the throne will have a host who has the distinction of having spent nearly eight years consecutively as Governor of two of the Presidencies. A special feature of the Madras program will be the assembly of many thousands of school children to greet the Prince, Boy Scouts and Girl Guides will be in evidence at most of the large stations which the Prince will pass on his way to Madras, where he will arrive on January 13 and remain four days.

Southern Army.
Two great States of the South Mysore and Hyderabad, will be visited. At British entombments there the Prince will see a large portion of the Southern Army, which is under the command of General Sir William Marshall of Mesopotamian fame.

At Nagpur, the headquarters of the Central Provinces Government, there will be a durbar for the Prince to receive representative notabilities. From Nagpur the Prince will pass into Central India, and will arrive at Indore on February 1st.

Thence His Royal Highness will proceed to Bhopal as the guest of the thirteenth female ruler in succession. There is a fitting feminine touch in many of the arrangements made by her highness the Begum, whose Imperial Service troops bear the title of Queen Victoria's Own Lancers. The only woman ruler in India, she will have the assistance of her three sons in making the Prince's sojourn pleasant and interesting. The Begum may not eat in public, but at the state banquet she will appear and make a speech welcoming the Prince. She has a good command of English, Tiger and bear shooting in camp some miles from the capital will be part of the program for His Royal Highness.

Tiger Shooting.
A splendid reception will await the Prince at Gwalior, which he will reach on February 8. The Maharaja Sindhia, who rendered great service to the Allies during the war, is a many sided man, and will be at the Prince's side when tiger-shooting in the Gwalior preserves, which are famed as being one of the most certain haunts of the tiger in India. The last distinguished visitor from Western Europe to have personal experience of the delights of the Gwalior jung in this respect was M. Clemenceau.

RIDICULE VICTORIA

New Westminster Replies That It Is Not Indulging in Politics.

VICTORIA, Nov. 28.—The municipal council of New Westminster has refused to endorse the action taken by Mayor Porter and members of the Victoria city council to censure the Provincial Government for alleged extravagance and sending the province "into bankruptcy," according to word which has reached the Parliament Buildings.

The New Westminster aldermen at their meeting discussed the proposal of the Victoria aldermen contained in a communication from Mayor Porter. The aldermen said that the Porter missive "seemed rather a violent tirade against the Provincial Government."

On the motion of Alderman Keary, passed unanimously by the council, it was decided to notify Mayor Porter that "the city council of the Royal City does not indulge in politics."
The Nanaimo city council, which also received a communication from Mayor Porter, passed a motion approving of the proposal that the Government should be asked to give the municipalities financial assistance, but "any talk of asking the Government to resign" was ridiculed as foolish by Alderman McQuinn and other members of the council, who suggested that a committee of three each from the Union of R. C. Municipalities and the Legislative municipal committee might be appointed to break the existing deadlock.

Head and Nostrils Clogged Up. Could Hardly Breathe

When you become all choked up and stuffed up with a cold your head becomes thick, the nostrils become so clogged up you can hardly breathe, a feeling of weight and oppression in the chest and the cough raps and tears your lungs and bronchial tubes.

This is the time to take **DR. WOOD'S NORWAY PINE SYRUP** before things get to be too serious. There is no remedy so equal if the coughing, sneezing, the phlegm and soothing and healing the lungs and bronchial tubes.
Mrs. Edward Kincaid, 56 Bryden St., St. John, N. B., writes:—"I wish to express my hearty thanks to your valuable remedy Dr. Wood's Norway Pine Syrup and what good it did me. Last fall I contracted a severe cold, the like I never had, my head and nostrils were so clogged up I could get no vent, and could scarcely get my breath. I tried remedy after remedy until at last I thought I would try Dr. Wood's. After the first dose I felt relief, and by the time the bottle was finished I was all better. I will always keep it in the house."

THE MAIN THING.
An old ducky got up one night at a revival meeting and said: "Bruders an' sisters, you knows an' I knows dat I ain't been what I oughter been. Ise robbed hen roosts an' stole hawks, an' tumbled, an' got drunk, an' slashed folks w' mah razor, an' shot craps, an' cussed an' swore; but I thank the Lord dere's one thing I ain't nebbber done; I ain't nebbber lost mah religion."

HARD BLOW COMING.
"How about a shock absorber?" asked the man who was buying a cheap car.
"We can put one on," said the salesman.
"No," said the purchaser. "But I'd like to have one sent to my wife in advance—she expects a limousine."

A GREAT LIGHT.
The skipper was examining an ambitious gob who wanted to be a gunner's mate.
"How much does a six-pound shell weigh?" he asked.
"I don't know," the gob confessed.
"Well what time does the 12 o'clock train leave?"
"Twelve o'clock."
"All right, then, how much does a six-pound shell weigh?"
"Ah," said the youthful mariner, a great light dawning on him; "twelve pounds."—The American Legion Weekly.
